The Beautiful Truth

Increasingly concerned for Garrett's well-being and determined to strengthen their bond despite the many challenges on the horizon, his father makes the decision to begin home-schooling the distressed teen. Garrett's first assignment: study a controversial book written by Dr. Max Gerson, a physician who claims to have discovered a diet that's capable of curing cancer. Is Dr. Gerson's therapy truly the legitimate, alternative cure it appears to be? In order to find out the truth behind this long-suppressed treatment, Garrett interviews not only Dr. Gerson's family members, but various doctors, skeptics, and cancer patients as well. His studies completed and his findings revelatory, Garrett now sets out to tell the entire world about The Gerson Miracle.

Belial (also Be’lial, Belhor, Baalial, Beliar, Belial, Belief, Bilael, Belu; from Hebrew also named Matanbuchus, Mechembuchus, Meterbuchus in older scripts) is one of the four crown princes of Hell and a demon in the Bible, Jewish apocrypha and Christian apocrypha. It is also a term used to characterize or embody immense wickedness or iniquity [http://en.wikipedia.org/wiki/Belial](http://en.wikipedia.org/wiki/Belial).

**Sons of Belial** - 2 Corinthians 6:1 we read that Christ has nothing whatsoever in common with Belial. In fact the Bible teaches that we should not listen to or watch any of the things of Belial, and that we should even hate these things. In Psalm 101:3 the things of Belial are translated as ‘worthless’: I will set before my eyes nothing worthless; I hate the work of those who fall away; it shall not cling to me.

Proverbs 16:27 A worthless man (man of Belial), a wicked man, walks with a perverse mouth.

Proverbs 16:27 An ungodly man (man of Belial) digs up evil, it is on his lips like a burning fire. ‘Sons of Belial’ can also be translated as ‘sons of lawlessness’. It refers to their father - El, who had raised his sons without the yoke of God’s law [http://www.petersinfo.com/articles/teachings/sons-of-belial.html](http://www.petersinfo.com/articles/teachings/sons-of-belial.html).

The Mantra of Goddess Durga- Meaning: In Indian traditions it is said that the mantra Om represents the primordial sound. Aim is the syllable of knowledge. Hrim is the syllable of purification and transformation, and dispels illusion and ignorance. It is the great mantra of the spiritual heart. It is said that through this mantra alone one can enter into the spiritual heart and the small space within its lotus in which the entire universe is held. Klim is a seed mantra that attracts spiritual energies from the sun god for protection (Adonai).

Chamundayee is another name given to Kali. It refers to a form of the goddess Paravati which is the destroyer of ignorance and evil. Vichche means cut, as in cutting one’s ego. PsyWar - Wake UP!

There's some bullshit going on around this case. The media has barely said a word about the case due to a 'publication ban'. Just like Bernardo and Pickton, the Canadian authorities really know how to neuter the media and neatly cap an investigation. Its all about control.

Tori's mother bought Oxycontin from the mother of the woman who murdered Tori. The mother of the woman who murdered Tori had adopted Terry-Lynne McClintic, and the adoptive mother was a drug addict and pill seller who allowed Terry-Lynne McClintic to become addicted to cigarettes and drugs while in her early teens.

The official story is that Tori Stafford's mom visited the McClintic home to buy Oxycontin and noticed their Shih Tzu dog resembled her own and struck up a conversation about it. That's all Tori's mother is willing to tell us about her relationship with the mother of Terry-Lynne McClintic. These ladies have a hell of a lot in common. Both of them Oxycontin addicts. Both of them Shih Tzu enthusiasts. Plus the fact that their daughters had likely met each other before the purported random murder.

Something's going on here. There was a 'publication ban' imposed on this case and trial, which was only recently lifted in preparation for the trial of Terry-Lynne McClintic's accomplice. There's something Paul Bernardo-ish about all this. Bernardo used Homolka to lure school girls to his car, and then drove for miles with the abducted girl in the car. This all happened not far from Bernardo country around the Lake Ontario region.

The facts surrounding this trial indicate that the mother of Terry-Lynne McClintic was likely involved in planning this. Were they planning to possibly sell Tori Stafford to some buyer in Guelph? Were they paid to procure Tori for a larger group? Or is all this just fake news designed to keep young female housekeepers riveted to their television news? I'm no Columbo or Sherlock, so would facts as glaringly obvious as pointed out here go completely overlooked by murder investigators known to go as far as collecting microfibers, fingerprints, hair, skin particles and DNA in microscopic detail?

There's something going on around this case. The media has barely said a word about the case due to a 'publication ban'. Just like Bernardo, Pickton and Paul Bernardo, Freemasonry takes good men and makes them better. At one point Bernardo was on the top of the Police Department's suspect list when he was terrorizing women in the Toronto suburb of Scarborough with his years long rape spree. Police then strangely dropped him to the bottom of the list, later saying they didn't think he was a 'credible' suspect. Bernardo then graduated to his grisly mutilation killing rampage. Did the large Police Officer Masonic Lodge Membership cloud some Detectives judgement about 'Brother' Bernardo's suitability as a suspect? How many Scarborough Police Officers were members of Scarborough Rapist Paul Bernardo's Masonic Lodge?

The evidence published by Kevin Annett indicates that mass grave sites for the disposal of murdered women exist all over Vancouver, including at the Musqueam Indian reserve near the University of B.C. Forensically-examined bone remains exhumed at this reserve in 2004 indicate the presence of young females mixed with pig remains: a fact shared with the Vancouver police and RCMP but never acted on. Last February, when identified crime sites containing the remains of children who died at the former Alberni Indian Residential School began to be unearthed and destroyed, the RCMP refused to stop the destruction or even conduct an investigation into the sites. http://homelessnation.org/en/node/15946

The Sioux have serious issues will continue to worsen, as I asked, as Spiritual Leaders, that we join together, united in prayer with the whole of our Global Communities. My concern is these serious issues will continue to worsen, as a domino effect that our Ancestors have warned us of in their Prophecies.

I know in my heart there are millions of people that feel our united prayers for the sake of our Grandmother Earth are long overdue. I believe we as Spiritual people must gather ourselves to continue to make the choice to change the destructive path we are on.

As we pray, we will fully understand that all connected. And that what we create can have lasting effects on all life. So let us unite spiritually, All Nations, All Faiths, One Prayer. Along with this immediate effort, I also ask to please remember World Peace and Prayer Day/ Honoring Sacred Sites day. Whether it is a natural site, a temple, a church, a synagogue or just your own sacred space, let us make a prayer for all life, for good decision making by our Nations, for our children's future and well-being, and the generations to come. A Great Urgency: To All World Religious and Spiritual Leaders

My Relatives,

Time has come to speak to the hearts of our Nations and their Leaders. I ask you this from the bottom of my heart, to come together from the Spirit of your Nations in prayer.

We, from the heart of Turtle Island, have a great message for the World; we are guided to speak from all the White Animals showing their sacred color, which have been signs for us to pray for the sacred life of all things.

The dangers we are faced with at this time are not of spirit, mistakes that we cannot afford to continue to make.

I asked, as Spiritual Leaders, that we join together, united in prayer with the whole of our Global Communities. My concern is these serious issues will continue to worsen, as a domino effect that our Ancestors have warned us of in their Prophecies.

I know in my heart there are millions of people that feel our united prayers for the sake of our Grandmother Earth are long overdue. I believe we as Spiritual people must gather ourselves and focus our thoughts and prayers to allow the healing of the many wounds that have been inflicted on the Earth.

As we honor the Cycle of Life, let us call for Prayer circles globally to assist in healing Grandmother Earth (our Un/I Maka), and that we may also seek to live in harmony, as we make the choice to change the destructive path we are on.

**AMERICAN INDIAN ANCIENT PROPHESY.** A day will come when the animals, winged ones and those who swim will begin to disappear. The eagle, bear, wolf and buffalo will be scarce because people will become greedy and will not love each other. The sky will become black and the trees and plants will die. The beautiful rainbow will disappear because people will not remember to keep the Mother Earth sacred and will destroy its beauty.

Children of the Rainbow Warriors will come before all destroyed and they will love the trees and the animals. They will love and respect each other and they will help people to live in peace with all creation. The rainbow in the sky will return as a sign of the Creator’s grace.

of Maniwaki. An Algonquin elder, he holds three wampum belts, one of which is the Seventh Fire Prophecy belt which was made in the 1400s. His understanding of the prophecy was received from Ojibwe people in Minnesota, Michigan and northern Ontario, and through his own family, which has held the belts for over 100 years.

He speaks of the fact that the white race was welcomed by the Anishnabek, and it was hoped in the time of the Fourth Fire that the white race would come wearing a face of brotherhood, and that the Anishnabek and whites together would form one mighty nation. This did not happen and the white race chose the course of destruction and death.

Today, in the age of the Seventh Fire, the races are again faced with a choice. The two roads are the black road of technology and overdevelopment leading to environmental catastrophe, the other is the road of spirituality and respect for the earth. Together, people of the world have a choice. Be one mind, or the earth cannot survive.
the Velon (Anunnaki) have designs on our planet, and are using the Illuminati, the Ruling Elite and the Masonic Order to further their agenda—according to author and healer, Chris Thomas. In the interview below Chris details the true Human Plan. Humanity’s vital role in the universe, and its involvement with many other ET groups over the years. Iran is the fall guy who knows how to destabilize and show no tell-tale signs of mind control “accessing” behaviour or lying/nervousness. “The Gods of Eden” is indeed an excellent work and much of what Collier communicates in the later portions of the interview will and should resonate immediately. BY 1625, Rosicrucian scientists had also become victims of the witch-hunt. Rosicrucian Family promoted tolerance, friendship, learning and artistry in service of truth. They regarded virtue, peace and the purity and strength of a person’s inner spiritual life as far more important than any outer religious or political orientation. Charity or brotherly love was the most important of the virtues. The Family claimed its members led the Italian Renaissance and produced great writers, teachers, scholars, poets, artists and craftsmen. They also claim credit for great charitable works and educational schemes. Robert Fludd wrote that the planetary conjunctions of 1603-1604 were a sign for the Rosicrucian Brotherhood to expand its membership in preparation for the great Restoration of Arts and Sciences of the World, which they called the Instauration. The Rosicrucians believed the arrival of the Golden Age of Aquarius would lead all men to embrace Righteousness.

- The Roslyn Chapel documents probably also include the notorious Toledot Yeshu, which the Johannites believed was written by the Apostle John, and the Mandaean Book of John (Sidra d’Yahya), which says that St John erred in baptizing the false prophet Yishu Meshiha (the Messiah Jesus), son of the devil Ruha Kadishta. It is supposedly the Knight’s Templar true version of St John’s Gospel, which they copied from an original on Mount Athos. It says Jesus Christ was a false Messiah, sent by the powers of darkness, who disseminated throughout the world a perverted form of St John’s doctrine.

White Brotherhood, which is a high-end Illuminati organization which also directs Rosicrucianism and Theosophy as well as the newage gurus of whom he's only one. After all, it's not the exercises themselves which are 'bad,' but only the addictive nature of the individual meditator that can allow him/her to be ultimately scammed into being a psychic slave for the GWB.

Count St Germain is a common feature to all of these organizations. When our friend, who 'grew up' in that Illuminati guru stable along with Drunvalo, Maitreya, Braden, Twyman, Houston, and the rest wasinducted into Scottish Rite's 33rd degree (he told Carol and I) in the middle 90s, Ct St German materialized in the sealed temple during the ritual, nodded his approval. Drunvalo openly and casually admitted in front of many witnesses, a few years ago, that his particular Merkaba meditation protocols are specifically designed to get the more talented adepts directly under his control. Thanks to the internet, this comment was broadcast and he apparently lost most of his credibility. He also openly promotes the Great

George Washington, guilty of acts of genocide - June 4, 1779, the General of the Revolutionary Army, George Washington, violated the treaty and ordered the invasion of the territory of the Iroquois confederation. He insisted in killing as many Indians as possible without taking into account age or sex. The survivors were to be given as agricultural slaves to the colonists who deserved them. Destroying not only the men but the settlements and the plantations is very important. All sown fields must be destroyed and new plantations and harvests must be prevented. Alleged Tory voter-suppression campaign 'a disgrace,' NDP says -

The NDP is linking the Conservative Party to a "dirty tricks" campaign in the last federal election, in which robo-calls were used to send voters to the wrong polling locations. Basing their attacks on a report Thursday in the Ottawa Citizen, the Official Opposition called on Elections Canada and the RCMP (?? LIZARD QUEEN's COPS?) to conduct a full investigation and lay appropriate charges.

"These tactics are a disgrace and those responsible must be held to account," Interim NDP Leader Nycole Turmel said in a statement. "The Conservatives were elected to clean up the Liberal-style scandals. Instead, they've made scandals of their own."

The Commissioner of Canada Elections, who enforces the Elections Act, has confirmed in a report to Parliament he is investigating complaints related to "crank calls designed to discourage voting, discourage voting for a particular party, or incorrectly advise electors of changed polling locations."

It's gonna be OK in CANADA first.

First Nations must RECLAIM SOVEREIGNTY. This will spread in to the US and CENTRAL AMERICA. We are COUNTING on NYCOLE TURMEL and SHAWN ATLEO to form a UNION that BRIAN TOPP so FEARS.

This of course is the same old theme that pops up each time Satan, the lower Self is involved. It is the lower Self that refuses to join with the inner Light.

Ancestry through the Father of Nimrod (Cush). Ethiopia was the Center of Ancient Civilization before the Great Flood and the End of Paradise. Nimrod- Nimrod ("Rebel", the Bull), a descendant of Ham, a son of Noah, was a bold man, a great hunter and builder and of great strength of hand. He founded the kingdom in Babylon, Nineveh and other cities in Assyria. Nimrod changed the Government into a Tyranny and forced men to Rebel against his own Father (Ah, Anu). He swore to build a tower, the Tower of Babylon, too high for the waters of a New Flood to be able to reach. The Tower of Babel. "The Foundation of Heaven and Earth", the Gate of Bel. The Bull, was dedicated to Nimrod, also called Marduk.

The "division of the nations" was the consequence of this rebellion. It was a judgment against both Nimrod and the entire world. A global empire was dissolved, but in its place appeared a divided world of many nations and many languages, with each nation spiritually controlled and manipulated by a fallen angelic power, who were themselves subservient to their leader Satan. At the Tower of Babel Satan agreed to give up his united world kingdom under Nimrod in exchange for a divided world of many kingdoms, with the understanding that his period of authority over the earth would be temporary and that he would ultimately face judgment.

Before his judgment, however, Satan will once again exercise authority over a united world empire which will, once again, be ruled by Nimrod after his resurrection from the dead. In examining the symbol in the book of Revelation of the seven heads that represent seven Satanic kings we find that Nimrod the Antichrist is the first and the last; he is of the seven, but also an eighth, because he appears a second time when his soul comes out of the Abyss. In this way the Pagan Era, during which the majority of mankind has been ruled over by the fallen angels, will come full circle before it is brought to an end at the Second Coming of the true Christ, the true "Alpha and Omega." The drugs were believed to have acted as sedatives, causing her to fall asleep in the bathtub once they had been mixed with alcohol from the previous evenings. Paramedics battled to revive the singer but she was pronounced dead at 3.55pm (13), hours before she had been due to perform at a pre-Grammys party at the same hotel. Los Angeles coroner’s office refused to comment on rumours that water was found on her lungs, indicating she had drowned. For over sixteen centuries, the Christian Church has been preaching its religion to the world. There is something radically wrong with a religion, that has led its followers to such a terrible state of affairs, involving the conversion of this planet into one vast slaughterhouse, drenched in human blood, resulting from the mass murder of Christians of one nation by fellow Christians of another, each being urged on and blessed by their own priests.

And such a condition has prevailed in Christendom ever since the Christian religion was first created, organized and established in the year 325 A.D. by pagan Roman churchmen convening at the Council of Nicea. This Council was presided over by the archmurderer Constantine, Emperor of Rome, who had assassinated, in cold blood, a dozen of his near relatives, including his own wife. And the history of Christianity has been no more honorable than its origin; for ever since Constantine first established it as the state religion of Rome, it has been responsible for the deaths of over fifty million innocent people, under the charge that they were “heretics,” because they refused to accept the unreasonable dogmas of the church - including about three million women who were burnt alive as “witches” in comparatively recent times by men who called themselves priests of the Christian religion.

Legend of the Demon Queen - Who was the first woman? Eve or Lilith?

Lamia (Vampires): The Christians know only from their version of the Old Testament Bible that Eve was the first woman created from Adam’s rib [Gen 2:21-24]. There is Jewish legend found in rabbinic literature that the first woman was Lilith, who out of pride, stubbornness and rebellious nature, abandoned Adam, and she was transformed into a demon.

Lamia, Empousai, and Mormor: Vampires in the Ancient Greek World A daughter of Poseidon, became by Zeus the mother of the Sibyl Herophile. A female phantom, by which children were frightened. According to tradition, she was originally a Libyan queen, of great beauty, and a daughter of Belus. She was beloved by Zeus,

- In the Gnostic Gospels (also know as the Nag Hammadi manuscripts) Zoe is the daughter of Sophia and was known as Eve when sent by her mother to give life to Adam.

"After the day of rest Sophia sent her daughter, Zoe being called Eve, as an instructor in order that she might make Adam, who had no soul, arise so that those whom he should engender might become containers of life." Nag Hammadi text, On the Origin of the World, (115:31-35). See also, (http://www.esoteric.msu.edu/Hobgood-Oster.html) Zoe can thus be interpreted as either the daughter of wisdom or the daughter of God. http://www.davincil Legacy.com/inferno/html/private/PonderBrown-The-heroes-are-the-God-soss.html

The Perfect, Invisible Spirit and Barbelo

Much of what we know before the creation of the material world and Adam, can be found in the text, titled The Apocryphon of John (Secret Book of John), is a revelation of Jesus to John, son of Zebedee, who was said to have written this text.

In the beginning there was only one invisible Spirit—perfect, pure, holy, immaculate, ageless and virgin. He was the Invisible One. He is neither corporeal, nor incorporeal. He is invisible because no one can see him, yet he emanated pure, immeasurable light. He is indestructible and eternal. Jesus revealed whom the eternal Supreme Being or Heavenly Father (in the New Testament), as the First Aeon, and The God. In this text, he was mostly referred to the “invisible Spirit” or “holy Spirit”. In the Gospel of the Egyptians, he is called the “Great, Invisible Spirit”. For the sake of convenience, I will call him Father or Spirit.

The Spirit then look in the spring of life, and by the power of His thought, brought forth a feminine being, whose light was like His, and her power was also like his. She was the emanation of Him. His feminine counterpart. She was known as Barbelo, the forethought of all, and the perfect Aeon.

This is the first thought, his image; she became the womb of everything, for it is she who is prior to them all, the Mother-Father, the first man, the holy Spirit, the thrice-male, the thrice-powerful, the thrice-named androgynous one. and the eternal aeon among the invisible ones, and the first to come forth. – The Apocryphon of John

SOPHIA, THE WISDOM OF GOD

Sophia, the personification of Holy Wisdom, appears in Proverbs 8 as present and assisting at the Creation, and in Proverbs 9:1-6 as a hostess who invites everyone to her feast. She has been much revered in eastern Orthodoxy. Churches and cathedrals, most famously Hagia Sophia in Constantinople-Byzantium-Istanbul, have been dedicated to her. More recently, she has been understood as a feminine image of God.

Archon was used in Gnosticism to refer to several servants of the Demiurge, the “creator god” that stood between the human race and a transcendent God that could only be reached through gnosis. In this context they have the role of the angels and demons of the Old Testament. They give their name to the sect called Archontics.

The Hebdomad

A characteristic feature of the Gnostic conception of the universe is the role played in almost all Gnostic systems by the seven world-creating archons, known as the Hebdomad ("7th day"). There are indeed certain exceptions; for instance, Basilides taught the existence of a “great archon” called Abraxas who presided over 365 archons (Irenaeus, Adversus Haereses, i. 24). In the Valentinian system, the Seven are in a manner replaced by the Aeons. These Seven, then, are in most systems semi-hostile powers, and are reckoned as the last and lowest emanations of the Godhead; below them—most frequently considered as derived from them—comes the world of the actually devilish powers.

The ancient astronomy taught that above the seven planetary spheres was an eighth, the sphere of the fixed stars.[7] In the eighth sphere, these Gnostics taught, dwelt the mother to whom all these archons owed their origin, Sophia (Wisdom) or Barbelo.

The Ophites accepted the existence of these seven archons (Origen, Contra Celsum, vi. 31; a nearly
system Adonaios represents the Sun.

The Moon. Horaios. Feminine name: Wealsh. Prophets: Michaiah, Nahum. From Jaoahab or “light” or “Horus”?

In the hellenized form of Gnosticism either all or some of these names are replaced by personified vices. Aithothia (Aithudes), or Audaicty is the obvious description of Yaldabaoth, the presumptuous Demiurge, who is lion-faced as the Archon Aithoth. Of the Archons Kakia, Zelos, Phthonos, Erinnys, Epithymia, the last obviously represents Venus. The number seven is obtained by placing a proarchon or chief archon at the head. That these names are only a disguise for the Sancta Hebdomas is clear, for one of the names is Eileithyia, the last number four (Harithm tetartos).

In the system of the Gnostics mentioned by Ephippius we find, as the Seven Archons, Iao Saktas (the chief demon of Manichaeism) Seth, David, Eloien, Ellatos (probably connected with Ein-Ill, the Bel of Nippur, the ancient god of Babylonia). Yaldabaoth (or no. 6 Yaldabaoth, no. 7 Sabbath).

One of the things you will discover in the Gnostic cosmogony is that you have to re-evaluate the Old Testament Genesis, about the Creator and other celestial beings, about the roles of Adam and Eve, and the belief of the afterlife. Much of the Genesis has changed in the Gnostic texts are found in the Nag Hammadi Library.

The roles of the Creator have changed as well. The so-called Creator of this world, who is God of Old Testament, was not the true Heavenly Father or the Ultimate Supreme Being that Jesus referred to in the New Testament. This Creator, or Demiurge I should say, was known by the name Yaldabaoth (Ialdabaoth) is an imposter and a jealous god.

In Babylonian mythology, Tiamat is a chaos monster, a primordial goddess of the ocean, making with Abzu (the god of fresh water) to produce younger gods. It is suggested that there are two parts to the Tiamat mythos, the first in which Tiamat is 'creatrix', through a "Sacred marriage" between salt and fresh water, peacefully creating the cosmos through successive generations. In the second "Chaoskampf" Tiamat is considered the monstrous embodiment of primordial chaos. Although there are no early precedents for it, some sources identify her with images of a sea serpent or dragon. In Babylonian epic of creation, she gives birth to the first generation of deities; she later makes war upon them and is killed by the storm-god Marduk. The hea vens and the earth are formed from her divided body. 

In Babilonian mythology, Tiamat is a playlist // Demiurge From Wikipedia, the free encyclopedia. 

Gnosticism, the belief of the Knights Templar, holds that mankind is nothing more or less than Aether trapped in a physical world and held there by Satan (they called him the demi-urge). Through multiple reincarnations, they held, a man or woman could become purified and ultimately freed from the other elements.

In Gnosticism, the "Demi-Urge" was Aether that got trapped in the elements we now refer to as earth (HELL/Middle Earth).

It is the Demi-urge's desire that we should remain trapped with him eternally. This is the being the Illuminati worship as Satan, a separate and distinct entity from Lucifer.

This religious belief is not a new one. It has its roots in the Babylonian and Egy ptian mystery religions. In Babylon, Nimrod, the mighty hunter of the people of the Lord, was the enemy of God. He waged eternal warfare with God's followers on earth (the City of Salem under Melchizedek).

NIMROD/MARDUK also swore to build a tower so high that it would allow him entrance into the kingdom of God, where he promised to slay God. (MARDUK) 

Melchizedek is also known as Shem, the righteous son of Noah. He reportedly slew Nimrod in battle and cut his body into pieces. He then sent these pieces to the far reaches of Nimrod’s empire to show that God was still more powerful than man.

Nimrod’s wife was Queen Semiramis. She was the mother of harlots in Babylon.

Nimrod was the great oppressor of mankind. Semira mus, heavily involved in "sex majic" became pregnant with an illegitimate son after Nimrod’s death. She falsely claimed that Nimrod himself had impregnated her from beyond the grave and that the child had no earthly father.

The "savior" son was named Tammuz, who was slain by a wild boar. But returns from the underworld each spring. Some have tried to argue that these systems of religion form the basis for Christianity. I believe the exact opposite.

Maitreya also claims the title of "Avatar". He is admittedly the servant of Lucifer masoch as his movement’s founder. Benjamin Creme, is an admitted Luciferian. Just like Nimrod was a Luciferian - Satanist and his wife as well. 

Babylon in ancient Iraq, was the seat of power of the “Illuminated One” known as Nimrod who built the “Tower of Babylon.” These ancient Sumerians worshipped reptilian gods known as the Anunnaki and the Illuminated one was their leader. 

According to my research the creator god of all the reptilian entities was Yahweh Ildabaoth the Demiurge, who was the entity the Judah Jews worshipped as god. Jesus (Yashua) referred to these reptilian entities as “SNAKES in coded language.”

When the “Global Elite” decided to go declare war against Iraq they apparently use these coded words as a way of evoking the invitation of Yahweh Ildabaoth the Demiurge, Nimrod and Metatron. Babylon was the “Gate to this evil Sumerian God” The Tower of Babel was built as a portal, door or window to the dimension (heaven) this evil entity came
from. The “Global Elite” need to make sure they are going to be safe going into which is why they use coded esoteric language to evoke the protection from or and invitation into Babylon Iraq.

There is currently a woman alive today who’s secret name is Hepebah, so the occult, she is the most powerful woman on earth. She is the woman beast. In ancient times Hepebah was the name of the mother of Manasseh who led the nation of Israel into idolatry and devil worship.

According to this former insider the entire Satanic kingdoms are a matriarchal society where the women are the real rulers. Most of their ruling class is hidden, in other words. the Queen of England bows down to Hepebah. There are six separate kingdoms, three kings of patriarchal societies; and three queens of matriarchal societies.

- The occult Hepebah’s group is called. “The Mothers of Darkness” and they are a powerful ruling class of their own, their main thrust is to corrupt Christianity. Their marriages are arranged and genetics play a big part in who gets to rule in their occultic hidden society. There are some very specifics to Hepebah’s genetics that allow her to rule over the United States land area.

It is suspected that this Hepebah will be the mother of the Antichrist. She is the granddaughter of Lucifer. Hillary Clinton and Barbara Bush are both Grande Damme’s of the Mothers of Darkness, group, but they don’t have the power to rule over the entire occult world.

-Rulers needed to be able to locate Mystery Babylon in the U.S. They needed the ancient American Indian territorial spirits, so Hepebah’s father is the top pure blooded American indian Shamman Nephilim, her mother is of the Druid council Grande Damme, so Hepebah carries in her the power of the territorial American spirits and the ruling of the old European ruling houses through the Grande Druid counsel. Her grandmother was the top Grande Damme. Mother of Darkness and carried (the “Great Whore” spirit passed down through the generations from ancient Babylon. Her mother, Lucifer’s daughter committed some kind of offense in the occult world and they stripped her of the position of rulership, so the position was not passed onto her, instead it was given on to the granddaugther.

http://www.youtube.com/watch?v=sherryshriner2010

Hepebah's titles include. “The Great Whore” “The Most Powerful Witch [MPW]” “The Locust Queen, or Queen of the Locusts.” The name Hepebah is a name of blasphemy and means “my delight is in her.” She is the physical form of the whore that sits upon the beast. She claims direct lineage to Semaramis and is worshipped as the goddess Ishtar.

Ialdabaoth (Gnostic) (from Shem ilida + baath) http://experiencefestival.com/scholkon old.html

Child from the egg (of Chaos); the spirit of matter, the chief of the lower elohim and father of the six dark stellar spirits or terrestrial angels, and thus one of the lower group of the Qabbalistic Sephiroth, the shadow or reflection on the lower four cosmic planes of the arupa or formless higher Sephirothic range.

Ialdabaoth’s mother, Sophia Achamoth (wisdom of the lower four of the cosmic planes) is the daughter or manifested reflection of the Heavenly Sophia -- divine wisdom, or the mahat-side of akasa. Therefore Ialdabaoth is equivalent to the Hebrew Jehovah, the creator of the physical earth and the material side of the rector of the planet Saturn. He is also identical to Tsebaot-Adamas, the Phallus of the Codex Nazaraeus, the Demiurge of the Valentinian system, the Proarch of the Barbelites, the Great Archon of Basiliades and the Elohim of Justinus, etc. Ialdabaoth (the Child of Chaos) was ... of the Creative Forces and the representative of one of the classes of Pitris” (BCW 13:43n). In the Ophite scheme he is the first of the superior septenate.

As a creative spirit, Ialdabaoth generates six sons (the lower terrestrial angels or stellar spirits) without assistance of any female, and when these sons stride with him he creates Ophiomorphos, the serpent-shaped spirit of all that is basest in matter. When Ialdabaoth proclaims that he is Father and God, and that none is above him, Sophia tells him that the first and second Antilurops (heavenly man) are above him. So Ialdabaoth's sons create a man, Adam, to whom Ialdabaoth gives the breath of life, emptying himself of creative power. Having rebelled against his mother, his production is mindless and has to be endowed with mind by Sophia Achamoth — a reference to the descent of the manasaputra. Some Gnostics held that Sophia sent Christos to help humankind when Ialdabaoth and his forces were shutting out the divine light, and Ialdabaoth, "discovering that Christos was bringing to an end his kingdom of Matter, stirred up the Jews, his own people, against Him, and Jehovah was put to death" (BCW 14:161). Domination by Deception By Peter

Enlil is portrayed as angry, vindictive, abusive and cruel, and he commits crimes including adultery, rape and genocide. YHWH is sometimes portrayed as angry and violent in the Hebrew Old Testament, but to the Hebrews YHWH's actions were always justified, no matter how cruel they appeared to be. For the Sumerians there was rarely any justification for the rash abuses of power that characterized the rule of Enlil.

In examining YHWH and Enki and their respective traditions one must also address the fact that they make conflicting claims. In the book of Genesis YHWH is credited with creating mankind, while in the majority of Sumerian texts Enki is portrayed as man's creator. Another case is the similar tradition of the Great Flood. The book of Genesis explains that YHWH brought the flood as a judgement upon human society that had become wicked through negative influences from fallen angels. In the Sumerian accounts it is Enlil who brings the flood to cull the human population that had become "too noisy." However, the book of Genesis tells a story of YHWH mercifully saving Noah and the last righteous family on earth from the impending destruction. Contrasting this account, in Sumerian myth it is Enki who saves Atrahasis and his family from the flood against the wishes of Enlil. These conflicting claims and accounts cannot both be true if Enki and YHWH are indeed separate entities.

YHWH is the spiritual source for the Hebrew tradition, and if Enki is the spiritual source for the Sumerian tradition, then we must face the reality that one of them is lying.

If YHWH in the Sumerian tradition is represented as Enlil, the adversary of Enki, then where can we expect to find Enki within the Hebrew tradition? Perhaps we need to examine the Biblical adversary of YHWH to find the answer. While Rohl equates YHWH with Enki, he nonetheless provides the following description of Enki that resembles this Biblical Adversary much closer than it resembles YHWH Himself:

In early antiquity this high god was known as Kronos or Enki, who was represented by the planet Saturn. In later antiquity this leader of the gods was viewed as the son of Enki, and his name was Marduk, Baal, or Zeus, who were gods all represented by the planet Jupiter.

In the final analysis this story is Enki's story, and Enki's great rival Enlil, understood by so many to be YHWH the God of Israel, had to wait about fifteen hundred years before He could give His side of the story.

The other "descent from the heavens" account is the descent of the fallen angels themselves. This is portrayed in Genesis 6, and it involves unholy relations between some of the "sons of God" and human women, a relationship which produced the Nephilim. From this human-angelic interaction the world became "corrupt in the sight of God" and "filled with violence," which became the justification for sending the global Flood. According to pagan mythologies this was the Golden Age of Kronos when the gods lived with men during the era of the kingdom of Atlantis. However, even though it was viewed as an idealistic time when the "true religion" originally ruled, Greek writers such as Plato explained that Atlantis became corrupt in its spiritual teachings and used its great power to dominate and abuse the entire world.

The non-canonical book of Enoch explains how the fallen angels taught mankind astronomy and astrology, charms and spells, and the properties of plants and herbs. One particular angel named Azazel "taught men to make swords, and shields, and breastplates, and taught them about metals of the earth and the art of working them" (Enoch 8:1). In Genesis the craft of metalworking is ascribed to Tubal-Cain, a descendent of Cain. David Rohl associates this name with Bad-tibira, which is the second city on the Sumerian King List, following Eridu where "kingship descended from heaven."

According to Sumerian accounts the great "civilizer" of mankind was the great god Enki, the Lord of the Abzu in Eridu, who was portrayed as a firm friend and champion of mankind. On the other hand the book of Enoch explains that the innovations given to mankind were used for wicked purposes.

The Nephilim ruled with an iron fist, "and when men could no longer sustain them, the giants turned against them and devoured mankind" (Enoch 7:4). Regarding Azazel himself, Enoch 10:8 reads: "The whole earth has been corrupted through the works that were taught by Azazel: to him ascribe ALL SIN."

The Gnostic hatred of the God of Israel extends to the very beginning of the book of Genesis. Gnostic texts explain that Ialdabaoth and the Archons created Adam and placed him in the Garden of Eden with an intent to deceive him. After learning of this situation, in Sumerian myth it is Enki who saves Atrahasis and his family from the flood against the wishes of Enlil. These conflicting claims and accounts cannot both be true if Enki and YHWH are indeed separate entities. It is the first success of the transcendent principle against the principle of the world, which is vitally interested in preventing knowledge in man as the inner-worldly predicament. The Gnostics believed that the true and ultimate God is the God of Light, who is purely spiritual and is in a relationship either as a Creator of, or as a Ruler over, material reality. To the Gnostics the god of material reality was the God of Israel. He was accepted as the Creator and Ruler of the material universe, but he was designated as inferior to the God of Light and viewed as the ultimate personification of evil. The grand scheme of Gnostic cosmology is explained by Hans Jonas in his authoritative study The Gnostic Religion: http://redmoonrising.com/Giza/DomDec6.htm

Mosaic Law: it aims at the enslavement of man. As guardian of his sphere, each Archon bars the passage to the souls that seek to ascend after death, in order to prevent their escape from the world and their return to God. The Archons are also the creators of the world, except where this role is reserved for their leader, who then has the name of demiuorge (the world-artist in Plato's Timeaus) and is often painted with the distorted features of the Old Testament God. The Origins of Christmas

Two key figures in the origin of Christmas are Nimrod, a great grandson of Noah, and his mother and wife, Semiramis, also known as Ishtar and Isis. Nimrod, known in Egypt as Osiris, was the founder of the first world empire at Babel, later known as Babylon (Genesis 10:8-12, 11:1-9). From ancient sources such as the "Epic of Gilgamesh" and records unearthed by archaeologists from long-ruined Mesopotamian and Egyptian cities, we can reconstruct subsequent events. (The Christmas tree is in honor of Nimrod, the so-called sun god.)

After Nimrod's death (c. 2167 BC), Semiramis promoted the belief that he was a god. She claimed that she saw a full-grown evergreen tree spring out of the roots of a dead tree stump, symbolizing the springing forth of new life for Nimrod. On the anniversary of his birth, she said, Nimrod would visit the evergreen tree and leave gifts under it. His birthday fell on the winter solstice at the end of December.

A few years later, Semiramis bore a son, Horus or Gilgamesh. She declared that he was the spirit of Nimrod, who left her pregnant with the boy. Horus, she maintained, was Nimrod reincarnated. With a father, mother, and son deified, a deceptive, perverted trinity was formed.

Semiramis and Horus were worshipped as "Madonna and child." As the generations passed, they were worshipped under other names in different countries and languages. "The original cult of the mother and child, Semiramis and Tammuz, became later Isis and Osiris, Venus and Adonis, the madonna and child in various cultures down to this day.

Semiramis declared that her son, Tammuz, was in actuality the return or rebirth of her husband, Nimrod. Tammuz was born on the day corresponding to December 25, this day was highly honored and recognized by Nimrod's supporters. Note, therefore, that this date (December 25) was observed in honor of the birth of Tammuz long before Christianity existed, and that it was not until many centuries later this pagan custom was "Christianized" as being the birthday of Christ (or Christmas day). "It can be stated they worship another Jesus"

Nimrod's followers began to also worship Semiramis. And her son Tammuz was worshipped as well. Semiramis was revered by the people and was viewed by many as a priestess and goddess. She soon became known as "the queen of heaven." Thus began the awful practice of exalting human deities. These false beliefs have led up to the many different forms of idolatry that are still practiced by different people today. Yes, it was through the introduction of these satanic evils and the many sacrilegious practices of ancient Babylon that witchcraft, priestcraft, spiritualism, and other forms of paganism were born, http://jahtruth.net/gothexp.htm

Santa (Satan) Claus and the Anti-Christ

The book of Revelation explains that one day Satan and his fallen angels will be forcefully evicted from heaven and thrown down to earth, where they will be in control for only a short time before their judgment comes.

"And there was war in heaven. Michael and his angels fought against the dragon, and the dragon and his angels fought back. But they were not strong enough, and they lost their place in heaven. The great dragon was hurled down--that ancient serpent called the devil, or Satan, who leads the whole world astray. He was hurled to the earth, and his angels with him." (Revelation 12:7-9)

- In 1540, Loyola and his nine followers were brought into the Roman Papacy by Pope Paul III via a papal bull. Although ostensibly subject to the Pope, the Order is a Church within a Church; a jurisdiction within a jurisdiction. THE NAZI PARTY AND THE SS provide a modern illustration of the working relationship between the Jesuits and the Papacy. Through the centuries, the Jesuits and the Vatican have worked diligently and without conscience to advance the cause of the Catholic Church. These Jesuits were so wicked and corrupt that even the devil himself became ashamed of them and they were finally banned from every Catholic country in Europe including Japan and China. They were finally and permanently outlawed by the Pope himself in 1773. That is how they came to America, much to the disgust of later leaders of America and Canada.

The Jews are destroying humanity, yet the Christians, who are far more humane than Jews, assist the Jews in their own destruction. In essence, therefore, the Judaeo-Christian culture is a death cult. Both the Jews and the Christians are pushing the world head long into a final Apocrypha, a huge extinction level event that could accelerate with an attack on Iran. And they don't care, both are bound by their spells.

Tetragrammaton, the root YHWH is radical of IHW, he-vau-he, meaning “being” or “life” or “woman” which were interchangeable concepts in the ancient Middle East. These identical letters in Latin are E-V-E: Eve. So the central or inner meaning of the Tetragrammaton is Eve, the Mother of All Living.

In the Gnostic Gospels, this concept also is conveyed. The Wisdom of God, or the Divine Spirit and Mother, is believed the real creator of the world. Allegedly her son, who was called the demiurge (CAIN), stole his power from his mother and with it created the world. The early Gnostics believed the demiurge was the God which the orthodox Christians adored and not the true God or Supreme Being which they symbolized as luo.

“IF YOU TRACE UP MASONRY, THROUGH ALL ITS ORDERS, TILL YOU COME TO THE GRAND TIP-TOP HEAD MASON OF THE
fear, intimidation and all those other reptilian stimulus-response mechanisms. The Gnostics, by the way, were the losers in a war with Roman Christianity, a long-term focus of religious terrorism ensconced in the Vatican. And what was the Gnostics’ biggest mistake – and crime – and why were they annihilated? Because they dared to speak the Unspeakable, namely that the Christian “father-god” was not only an imposter, but also quite insane. You can call him Yahweh. You can call him Jehovah. But the Gnostics identified him with the demented Archon Yaldabaoth, which they taught was the Judeo-Christian false god.

Yaldabaoth himself chose a certain man named Abraham and made a covenant with him – but proposed a different way to view it. Yaldabaoth is the Demiurge, a.k.a. Yahweh-Jehovah, a demented pseudo-deity who works against humanity. This is the Lord Archon head of the legion of cyborgs. “Demiurge” is defined by Lash as the leader of the Archons, who claims to be the creator of the material world and demands slavish obedience from his creatures, but is actually a demented pretender or imposter who “can originate nothing but must imitate what already exists.” This might be an apt description of AI (Artificial Intelligence) and its future manifestations.

And what is the result of this religious belief system, most notably exemplified by Christianity which awaits an extraplanetary saviour, who will come from the sky and make everybody feel high, to quote the late Bob Marley? “Salvation by superhuman powers, rather than through the divine potential innate to humanity and aligned with Sophia, is the hallmark of extraterrestrial religion,” Lash writes. “Gnostics explicitly warned that the ‘Archons’ work through a salvationist religion, not to destroy us, however but to deviate us from our proper course of evolution… They do this, Gnostics claimed because they envy us. Archons lack both ennoia (singular intentionality) and epinoia (moral-creative imagination) and they want to have this specific endowment of ours, to assimilate or steal it.”

The diagnosis of Archontic intrusion conforms in many respects to reports of people who have encountered alien entities, especially the Grays and the Reptilians. According to Lash, the Gnostics also taught, “If evil arises from error when error runs beyond the scale of correction, we can nip evil in the bud by deepening our awareness of error.”

The Gospel of Philip says “ignorance is the mother of all evil.” In a lucid passage on error theory, the Gnostic master says: “So long as the root of wickedness is hidden, it is strong. But when it is recognised, it is dissolved. When it is revealed it perishes… As for ourselves, let us dig down after the root of evil which is within each of us and produces its fruit in our hearts. It masters us. We are its slaves. It takes us captive to make us do what we do not want and what we do want we do not do. It is powerful because we have not recognised it.”

- “The root of evil is human error,” the mind mistaking itself. To defeat evil, we must unmask it by seeing its origin in the erring operations of our own minds.”

Origins of the Illuminati

The Gnostics also had a very plausible explanation for the origin of the so-called Illuminati, those behind-the-scenes puppet-masters and obsessive control freaks of society, who have been the e-facto Ruling Class for thousands of years.

- Gnostics – or telestai – had special knowledge in cosmological issues, who were actually “sophisticated shamans, past masters of archaic techniques of ecstasy.”

- “As initiates of the Mysteries, behavioural manipulation, psychological programming and mind control were utterly regnant to the genuine telostai of the ancient Mysteries,” writes Lash.

- “Such procedures represented to them a path leading away from consecration to Sophia and the Great Work of co-evolving with nature, toward social engineering and personal power games. The goal of the telestai was to foster a sane and balanced society by helping individuals reach their peak potential, and never to interfere directly in social management.”

- “Over the course of time some initiates did take the path of social engineering. Dissident members of the Gnostic movement, who came to be known as ‘Illuminati,’ chose to use...
initiatory knowledge to develop and implement various techniques of behaviour modification. Their predecessors were known as the Magian order, an ancient Persian lineage of shamansm from which the Gnostic movement was derived. Around 4000 BCE, with the rise of urban civilisation in the Near East, some members of the Magian order chose to apply certain secrets of initiation to statecraft and social engineering. They became the advisors to the first theocrats of the patriarchal nation-states, but in fact the advisors were running the show. Their subjects were systematically programmed to believe they were descended from the gods. The Illuminati inaugurated elaborate rites of empowerment or kingship rituals. These rituals were in fact methods of mind control exercised on the general populace through the collective symbology and mystique of royal authority.

"The intention of the dissident Magians to run society by covert controls was based on their assumption that human beings are not innately good enough, or gifted enough to create a human world." Even the term Gnostic (gnoitoukoi) is a pejorative term invented by the so-called Church Fathers who ridiculed their rivals by referring to them as "smart ass" and "know it all." The Gnostics called themselves 'The Children of Seth.' Lash notes that "paradoxically even the word 'Gnostic' comes down to us tainted by the condemnation of the Roman Church and associated with the very members of the Magian order who were disowned by the guardians of the Mysteries."

The Illuminati then were the former adepts of the Mystery Schools who perverted and abused the spiritual teachings they had received in order to acquire material wealth and power, subverting their raison d’etre of life on Earth. "The Illuminati program was (and still is) essential to patriarchy and its covert perpetraor religion." Lash continues, "While it cannot exactly be said that the deviant adepts known as Illuminati created patriarchy, they certainly controlled it. And still do. The abuse of initiatory knowledge to induce schizophrenic states ("reinforcement"). manipulate multiple personalities in the same person ("platforming") and command behaviour through posthypnotic suggestion the 'Manchurian Candidate' technique) continues to this day, with truly evil consequences for the entire world. These behavioural modification tools of the Illuminati were strictly forbidden in the Mysteries overseen by Gnostics."

Thus the Illuminati were spiritual renegades and deviants who became the dominant controllers of the planet through their manipulation of patriarchal salvationist religion and a theology of terror. These former initiates of the Mystery Schools had seemingly taken the so-called left-handed path of ego-glorification and power games, rather than consecration of their lives to the enlightenment of humanity, whose goal was always the spiritual evolution on Earth. http://www.resistance2010.com/forum/cor/toris/terrorism-christianity-and-the

Asmodeus was the child of the incest of Tubal-Cain and his sister Naamah; Others say he was the demon of impurity. - Jewish lore charges Asmodeus with being the father-in-law of the demon Bar Shalmon [Rf. Jewish Encyclopedia, p. 510]. In Solomonic legends, Asmodeus also goes by the name of Saturn, Marcol or Morolf.

Asmodeus in the Testament of Solomon: "I was born of angel's blood of the TUBAL SYMBOLOMARS- god of WAR (RAW/RA) -

Manly P. Hall advises the Mason that, once he has the seething energies of Lucifer in his hands, he is to walk in Tubal-Cain's footsteps. Hall makes it sound like Tubal-Cain is one of the Greek gods, does he not? And, we know conclusively that Tubal-Cain is Vatican of the Pagans. "Vulcan was a sun deity who was associated with fire, thunderbolts and light. The festival in honor of him was called the Vulcania in which human sacrifices were offered.

tubalcain naamah solomon- Tubal Cain's sister was Naamah. Naamah: A Wife of Solomon and the Mother of King Rehoboam http://serenitystreetnews.com/2ballsca

King Solomon used a magic ring with a hexagram symbol on it to enslave the demon Asmodeus into helping him build his famous Temple.

Asmodeus -Asmodeus is the son of Adam's first wife Lilith by Samael. However, in The Book of the Sacred Magic of Abra-Melin the Mage, we find this report: "Some rabbins say that Asmodeus was the child of the incest of Tubal-Cain and his sister Naamah;

-This is the dimensional field, also known as the lower astral to many people, which resonates to the frequency of low vibrational emotions like fear, guilt, hate and so on. When a ritual focuses these emotions, as Satanism does, a powerful connection is made with the lower fourth dimension, the reptilians. These are some of the ‘demons’ which these rituals have been designed to summon since this whole sad story began thousands of years ago. This is when so much possession takes place and the reptilians take over the initiate’s physical body.

The leading Satanists are full-blood reptilians cloaked in a human form. These rituals invariably take place on vortex points and so the terror, horror, and hatred, created by them enters the global energy grid and affects the Earth’s magnetic field. Thought forms of that scale of malevolence hold down the vibrational frequency and affect human thought and emotion. Go to a place where Satanic rituals take place and feel the malevolence and fear in the atmosphere. What we call ‘atmosphere’ is the vibrational field and how it has been affected by human thought forms. Thus we talk about a happy, light, or loving atmosphere, or a dark or foreboding one. The closer the Earth’s field is vibrationally to the lower fourth dimension, the more power the
reptilians have over this world and its inhabitants.

Satanism is not just a sickness and a perversion, although it is that also, its main reason for existence, from the Brotherhood’s point of view, is to control the Earth’s magnetic field to worship and connect with their reptile masters to drink the life-force of their sacrificed victims to provide energy for the reptilians who appear to feed on human emotion, especially fear. These sacrifices are, literally, sacrifices to the ‘gods’, the reptilians, and they have been happening for thousands of years. The mass sacrifice of people by the Aztecs in Central America, and so many others, were to provide food for the physical reptilians and crossbreeds who eat the bodies and drink the blood, and energy nourishment for the non-physical reptilians of the lower fourth dimension.

-when children reached the point where they could not work anymore in the slave conditions underground, they were consumed by the reptilians. They prefer young children because they are not contaminated like adults.

-Satanic rituals and human sacrifice, especially of children, are performed on a vast scale and involve some of the most famous politicians, business people, media owners and entertainers on the planet. Of course they do. It would be amazing if they did not, given the background. These rituals and human sacrifice have always been the foundation of the Brotherhood ‘religion’ since ancient times.

And the Brotherhood manipulates its Satanic initiates and ‘gofers’ into the positions of political, economic, business, military, medical and media power, and into influential positions in the world of entertainment. Therefore the ratio of Satanists and child sacrificers at the top of these professions and institutions is staggeringly high compared with the general population.

The demon worshippers of Bel/Baal/Nimrod in Canaan, Babylon and Phoenicia engaged in human sacrifice, cannibalism, and child murder in the name of Moloch or Molech, an aspect of Nimrod/Baal, as part of their religious rituals. Baal (lord or ruler), the supreme god of the Canaanites and Phoenicians, was said to be the giver of life and Moloch was the destroyer of life. Both demanded appeasement by sacrifice. Baal or Moloch became identified with the Roman god Saturn.

In honor of Baal, the Sun god and god of fire, the Carthaginians, following the rituals of the Phoenicians and Canaanites, rolled children into a fiery pit made in the shape of the image of Baal/Moloch. At a site near modern Tunis six thousand urns were found containing the charred remains of infants. Remember, these rituals and ‘gods’ are the same as those performed and worshipped by the Satanists and the Brotherhood today.

This is why the children of Waco were allowed to burn to death in an inferno caused entirely by the Satanist controlled FBI and the ATF; the Bureau of Alcohol, Tobacco and Firearms, on April 19th 1993. These were the same deeply sick people who blew up the James P. Murrab building in Oklahoma on April 19th 1995, in which so many children died.

In the same way, a war to these people is a mass blood ritual in which unimaginable numbers are killed and maimed, and the planet is engulfed by negative emotional energy. It is this energy on which many of the lower fourth dimensional reptilians either feed or use to manifest in this dimension.

-Chronos swallowed his children as fast as they were born because he feared they would overthrow him. Chronos was the most powerful of the Titans, the Greek name for the giants who resulted from the interbreeding of the reptilians with the human, ‘daughters of men’.

-Satanism at its core is about the manipulation and theft of another person’s energy and consciousness. In olden times they called it “soul snatching”. It may appear to be merely a sickening perversion, but those who truly understand the background to the rituals know that what really matters is the effect of the rituals, not so much the rituals themselves. They are the means to an end - stealing or manipulating energy. Sex is so common in Satanic ritual because at the moment of orgasm, the body explodes with energy which the Satanists and the reptiles can capture and absorb.

Sexual activity inspired by love resonates to a much higher vibration and therefore cannot be accessed by the reptilians. Sex during a Satanic ritual or sacrifice, however, explodes the orgasmic energy at a very low frequency because of the intent involved and so the energy of Satanic sex resonates to the reptilian frequency. The astrological energies constantly generated by the movement of the planets and the cycles of the Sun and Moon are also employed to add to the power of the rituals.

-The secret password of Freemasonry is Tubal Cain, a descendant of the biblical Cain, who was an Anunnaki crossbreed. Tubal Cain’s sister, Naamah, is said to have been the ONE who brought human sacrifice and cannibalism to the world.

-The News Of The World, published the revelations of a community worker on the Isle of Wight who exposed the nature and extent of the abuse there.

She said that these Satanic sacrificers of children were pillars of the local community, owners of seaside hotels, business people, local government officers, and politicians. She described the breeding programmes on the island in which babies are bred for sacrifice and how it connected into the paedophile and drug smuggling rings, another common theme.

Detective Chief Inspector Neil Kingman, who was heading the inquiry, said: “I have met the community worker several times and interviewed other people regarding this matter. I have no reason to doubt what I am being told.”

-Satanic ritual abuse is a global network, another pyramid of interconnecting groups, with the high and mighty of society among their numbers, top politicians, government officials, bankers, business leaders, lawyers, judges, doctors, coroners, publishers, editors and journalists. All the people you need, in fact, to carry out and cover up your rituals and crimes against humanity. It is not that researchers see Satanists everywhere. The ratio of them in leading positions is very high because that’s the way it is meant to be.

The Satanic networks control the system and so they ensure that there is a far, far, higher ratio of Satanists in positions of power than there are in the general population. The higher you go up the pyramid, the more Satanists you find. Most of the non-Satanists are filtered out before they reach those levels. The result of all this for the children involved is beyond the imagination of anyone who has not experienced the level of trauma that they must suffer.

The Seven Tablets of the History of Creation

The creation legends of the Babylonians tell the story of Tiamat’s being wed to Apsu (seems to mean “far waters”) and giving birth to the original deities. However, these children were loud and annoying which bothered Tiamat greatly. Apsu, her husband, tried to convince her to kill them with his help to create the heavens and earth. She didn’t agree to do that until Apsu’s death. The younger deities learned of their parents plan, and a great battle ensued. Apsu was murdered by his son, Ea, but he couldn’t defeat Tiamat. So he got help from his son Marduk who battled Tiamat. In the battle, Tiamat opened her mouth to swallow him as he approached her but he threw a storm into her mouth. Marduk then killed her by shooting an arrow into her belly. Marduk then cut up Tiamat’s body into pieces to create the heavens and earth.

According to Sumerian texts, the original deities were Apsu and the Sumerian elements ti (seems to mean “far waters”) and giving birth to the above and below. Canaanites also honored Asherah of the Sea, Mother of the Gods. Nammu as a woman sea-serpent. She is the essence of life.

The goddess Athirat Yammi (which some translate as Asherah of the Sea) as Qaniyatu Elima, Mother of the Gods. Nammu as a woman sea-serpent. Marduk then became the King of the Gods in Babylonian legends. For the Babylonian sailors, the seas divided the sky and the earth at the horizon. Splitting the primordial sea to create the heavens and the earth makes sense. For the creative power of Tiamat, use Amazonite symbolizes new beginnings bringing you the power to find new paths in your life. (Tiamat helps in mental and physical difficulties).

She has a dual character. As the origin of good she is the createrix of the gods. Her beneficent form survived as the Sumerian goddess Bau, who was obviously identical with the Phoenician Baau, mother of the first man. Another name of Bau war Ma, and Nintu, “a form of the Mother Ma”, was half a woman and half a serpent, and was depicted with “a baby suckling her breast” (Chapter V). The Egyptian goddesses hech-bau and Uazit were serpentesses, and the goddesses Isis and Nephys had also serpent forms. The serpent was a symbol of fertility, and as a mother was a protector.

The Galactic Federation of Light/Galactic Federation, Ashtar Command, the Nordics and the Hathors are causing the problems and issues that we have within ourselves, this list also includes Tolec, ex. Alfred Webre’s interviews with Tolec. They create these inharmonious frequencies that we are inflicted with and causes our confusion, our issues, our emotions, they are not helping us in this transition to a new world, they are dampening our plans, so my suggestion is to not read them and fill your minds with nonsense. They raise your hopes and then dash them! These emotions that they are inflicting upon us with negative frequencies, they are reveling in this now! These transmissions/channelings are not from a good source and are giving humanity incorrect facts so that they can do their job and rid the Earth of our race so that they can take over our planet and thrive themselves.

Ascension is not what many think it is, we do not die, we do not go into the 5th dimension, we stay here on this planet. There is not going to be a split between earth to create another earth where we will reside. We are here, on this planet for a reason, we are here to make our lives better and to be happy. That is the ultimate goal for all humans! It is a time where we better ourselves now with what we have, we take care of ourselves and each other. That is what Ascension is all about, however, we are not ascending anywhere, we are raising our vibrations to what they should have been long long ago prior to our frequencies of Earth was lowered.

We should be a happy race, a race filled with love and hope and faith, but we are not, we are fighting for what is ours and do not care what we step on to get what is ours, this is the majority of our race. We cannot live this way, we need to respect each other just like you respect yourself, and hopefully you do respect yourself. We are bringing our beings into a higher frequency, this is what the “End of Human Existence” as we know it or “End Times” means, we are entering a time of change in which we have not yet experienced in this lifetime.

They raise your hopes and then dash them! These emotions that they are inflicting upon us with negative frequencies, they are reveling in this now! These transmissions/channelings are not from a good source and are giving humanity incorrect facts so that they can do their job and rid the Earth of our race so that they can take over our planet and thrive themselves.

SUNDAY 01 08 2012- CHURCH and GOVERNMENT CRIMES. Time to LOSE the VAMPIRE LOOSH to LONDON and ROME

EXOPOLITICS ALTERNATIVE MEDIA DRACO LOSERS are using this BLACK SPHERE MAJICK. The Lesser Banishing Ritual of the Pentagram. The ritual banishes the chaotic and impure form of the elements from the magician’s circle by the tracing of Pentagrams in the air and by the power of certain Divine names followed by an invocation of the spiritual forces ruling the elements to fortify and guard the circle.

This is a much more effective template to over lay on the LBRP from the Golden Dawn and other Illuminati corrupted sources free from the Hebrew God-names which are actually hidden titles for Moloch, Mammon, Azoth and other Qlippothian deity level entities. Instead of Ah-Tah . . . vibrate Uranus ; Instead of Malkuth . . . vibrate Tarra; Instead of V’Gibhurah . . . vibrate Mars ; Instead of V’GidDorah . . . vibrate Jupiter ; Instead of Lah oh’laham amen . . . vibrate Sol

AVOID the KABALLISTIC CROSS. (fallen angels) . Nine Keys to Hell: The Qlippoth

OLILOPIOTHIC MAEZICK is PARASITIC and VAMPIRIC. TAUGHT in MOST $$$ MALE DOMINATED MYSTERY SCHOOLS.

Formulation of the Pentagrams: In each of the cardinal directs trace that banishing earth pentagram assume the “goddess” posture or “star pose” and vibrate the name Venus and feel love for the great mother and holder of the most sacred symbol of our race (the pentagram), the five pointed rose of humanity. Then thrust both hands forward so the finger tips touch making a triangle while you step forward with your left foot. This is the “God posture” or spear tip. Vibrate the name Mars, the father of our race and thorn of the rose of humanity, the lover and protector of Venus. Feel his anger at all those who would harm her or his children and charge the pentagram with that energy. This is Venus/Mars/Cupid union.

The calling of Guardians

Instead of before me Raphael . . . say “Before me cheerful and sweet”, then vibrate Erreus. Instead of behind me Gabriel . . . say “Behind me bold and wise”, then vibrate Zepheryus.

Instead of on my right hand Michael . . . say “To my right kind and brave”, then vibrate Notus. Instead of on my left hand Uriel . . . say “To my left ancient and strong”, vibrate Boreous.

-Instead of assuming the “star pose” and saying “The pentagram around me”, assume the “star” posture and say “I am with the embrace of my mother of my mother Venus, keeper of the sacred pentagram and tender to the cradle of our race”.

-Instead of seeing the star of david inside your heart center and saying “within my shine the 6 rayed star”, see the 6 pointed star of sol over both your heart center and solar pelus and say “Within me shines the radiance of Sol, for I am the center of my own universe, a reflection of the most sacred and most high”.

The LBRP of the Golden Dawn is based on Qlippothian foundations, calling of evil gods and their minions assuming “angelic forms”. Because you are calling the Qlippothian deities first you then are invoking the “angels in disguise” and you don’t know it. You are charging the pentagrams in tiles for Moloch and allowing him to decide which entities can come through.

Stop the Golden Dawn LBRP immediately! - Bear Heart

The only major religions that have survived today are primarily based on sol or corrupted
**sun worship** This includes Islam. While **Allah was originally Lunar based his “moon cult” teaching** has been for all intents and purposes, eradicated. Judaism is nothing more than graduated Christianity and **ANY form of Zionism is the focused worship of the Qlipohian Solar energy of sacrificing others for the elite few or “chosen”**.

- There was a strong linking of the extinct and true Mars or Martian warrior and strength cults with the corrupted solar cults. This way the warrior cults and societies could better justify murdering others in the name of love and compassion. The crusades, the witch hunts, the convert or the campaigns... all are forms of the Mars/Solar corrupted spirituality link.

The Cortenum changed the name Anderson to Neruda because Jamison Neruda is very close to “Dr. Anderson’s” real name! I was told this as being a fact by the real Dr. Anderson, who later became Dr. Neruda. Furthermore, “James” (I will call him by his real name, Mahu Nahal) had taken over the project, also added a lot of real information to the website. In fact (and this is also coming from the real Dr. Neruda quite recently), there
is a lot more real information on the current WingMakers site than the original one! In other words, there is disinformation on both the old site and the new one. However, the following were most likely the steps the Corteum and the Labyrinth Group decided to take after Dr. Neruda had let the cat out of the box in 1998.

The Coming
Fragmentation By Dr. Joseph Chiappalone
MD 12-30-11
http://www.rense.com/general95/frag.htm

There is no point in trying to be specific about the destructive changes that are about to engulf this planet, and all other physical structures in the Universe. I have written previously that the Divine Energy has been withdrawn from this dimension and now all that is left, apart from a few thousand warriors assisting the evacuation of viable conscious from all classes (Mineral, Vegetable, Animal and Human) is the Evil energy in all its forms.

Evil begets Evil. The evil energy will do what evil always does: it destroys everything, including itself. We will not be the first planet to be destroyed by evil practices. Obviously Evil needs instruments by which it can cause its destruction. Evil beings lie, cheat and are hypocrites and murderers.

Violence and anarchy are the disorder of the day. We will witness the most atrociously evil actions imaginable: War crimes of unprecedented magnitudes, slaughter of animals, children the elderly, often for no reason. Remember demons get energy from that sort of suffering. Bestiality, cannibalism, sexual depravity, etc., will also occur openly.

We are going to see the demons at their worst.

And all nations are planning on war, war, and more war, regardless of whether they have a cause to go to war, or whether they have no cause. Some are planning suicidal missions against superior forces for no reason other than that the ones in charge are affected by the Terminal Madness of the Endtime. No one is going to win. The result will be a loss-loss. So, does it really matter where it starts and by whom it is started? Of course not. All the ridiculous plans of the Archons to cull Humanity, to introduce a New World Order, to supervise us, will all be a grand show of idiocy, and although these things may begin to happen, they will come to nought. Every activity now on the planet can be likened to shuffling of deck chairs on the Titanic.

We are going to see the demons at their worst.

Purify by cleansing meticulously, heal and protect, love and protect.

Don’t let these destructive, evil emotions destroy you. Think and express LOVE, True Love, and gratefulness that the Divine Light has seen fit to rescue us and correct this Celestial Error. With Love in your heart, the difficulties will be easier to bear, and you will be a comfort for those around you who may understand less than you do. As the process proceeds, Viables will want to be with those of like mind and energy. We will be able to congregate if there is time. Already you have probably noticed you don’t fit into the Virtual reality very well any more. Others may shun you for they cannot stand your (purer) energy. You too find it ridiculous plans of the Archons to cull Humanity, to introduce a New World Order, to supervise us, will all be a grand show of idiocy, and although these things may begin to happen, they will come to nought. Every activity now on the planet can be likened to shuffling of deck chairs on the Titanic. Earth’s fate is sealed.

But awakened ones will suffer least. They will be prepared and will understand the operation in action. It is for the removal of this malignant tumour called Evil from the face of Creation. The emotions that will saturate the planet will be those of Selfishness, Hate, Anger, Fear, and Despair. We see this even today.

There is also what is called ‘Natural Evil’ where the evil elements in the Mineral Kingdom express their madness and cause pains, suffering, fragmentation and destruction. I have also stated that all constraints have been removed, so Evil can plunge headlong into its self-destructive mode. This is quite obvious now. The Archons are not trying in the slightest to hide their evil. Dishonesty everywhere has become the modus operandi.

Remember love is the only way to ascension. The coming days, low vibration entities will be in 3-4 D LOCKDOWN.

MOONday, JANUS 2 2012-01 02 2012 = 8 - as promised by Sophia in the Last Days, low vibration entities will be in 3-4 D LOCKDOWN.

The Coming
Fragmentation By Dr. Joseph Chiappalone
MD 12-30-11
http://www.rense.com/general95/frag.htm

There is no point in trying
a miracle that should leave you in no doubt that this Finality is upon us. Do not despair at any stage. Do not contemplate suicide to hasten your departure. You will most likely pick up such thoughts from the Thought Pool circulating the globe. It is full of the thoughts of Depression, Gloom and Despair. That is why suicides are increasing all over the world exponentially. I have explained that as thoughts of Finality and Accountability reach the lower minds of failures, they will despair. That is the cause of so much gloom and its consequences that we see.

If you are alone a lot, do not become lonely. Focus on what is happening and where you will be soon. Stay in touch with those of like minds, by phone, by emails, by skyping, by snail mail, etc.

Thus, fragmentation is of minds, of relationships, of families, of communities. It is a religious fragmentation, a geographical one, a political, industrial, financial and climatic one, as well as a solar and a Galactic fragmentation, culminating into a Universal fragmentation and conflagration. The process cannot be stopped. All the physical structures must all go. The mendacious Archons will no longer be able to hide the Truth with their lies. We will all see what they have done. We are seeing that today are we not with evidence of their greed, deceitfulness and hypocrisy everywhere? But they cannot help being like this. They have always been like this. It is their nature. They cannot change. Their lies will no longer matter. They are doomed along with their lies.

As less and less energy is available to sustain the Evil Empire, it will collapse upon itself. Long after Human Consciousness has ceased to exist, the very bonds that hold atomic and sub-atomic particles together will dissipate for they too depend on energy to operate. Thus matter will fragment to its energetic form and be transmuted. Nothing will remain.

A dimension collapses upon itself if it has no content, as this one will have. Thus, time and space will no longer exist and the dimension and all its sub-dimensions will cease to exist.

As an awakened being, you will see this fragmentation as having a purpose. While it is painful to see it occur, we must remember that we are seeing an illusion disappear before our eyes. Gaining psychic powers like I predicted may assist in knowing coming facts, but it can also traumatize minds for we shall see who is who. Don’t be emotionally exploited. You may see reptilian Consciousnesses in your parents, your children, friends, associates, pets, etc.

Timing is everything. And things will happen in your life when it is time for them to happen, just like you and all of us will leave when it is time for us to leave.

We will all know who is who near the End. You will know who is a demon, who is a robot, who is viable and who is not. We will all, Viables and non-Viables, come to the realization that this world must end, so horrific will its state be.

It will emotionally destroy us, if we let it, to find some of those we called ‘loved ones’ are reptilian demons. That will truly fragment our lives if we let it. But we must be strong and not falter. Remember, all beings have had innumerable chances to turn to the Light. It is their choice to be evil except for demons, of course, who have been created totally of Dark Matter and they cannot see the Light or respond to it or to Truth. My final point is thus: Prepare, prepare, prepare. Not to survive physically, but to survive spiritually.

Celtic Christian Spirituality - Ireland and the other regions inhabited by Celts abounded in churches and monasteries during the first millennium of the Christian era. Celtic Bishops and Priests led their flocks to spiritual perfection, to holiness. Of course, not everyone attained such heights, but there were surprisingly many who did; it was not without reason that Ireland was called Insula Sanctorum (the Island of Saints). The Celtic spiritual Fathers (anamcharas and periglours) helped to heal the interior wounds of their spiritual children; they gave the strength and courage for further spiritual struggles. On the ancient Celtic holy sites in Ireland, Wales, Scotland, and elsewhere rested the glow of that eleste Lumen (heavenly light), shining from the faces of the Celtic monks who had advanced in spiritual life and attained theosis (deification) http://orthodoxinfo.com/general/celtic.aspx

JESUS is the IMPOSTER PAGAN WITCH DRACO BLACK MAGICIAN. LEO-
LEVIATHAN-PINDAR the DRAGON LORD

BAR JESUS ("son of Jesus or Joshua"): Jewish magician described in Acts xviii. 6-11 as a "sorcerer, a false prophet," who, when Paul and Barnabas came to Cyprus, was found

in the company of Sergius Paulus, the Roman proconsul. He also bore the title of "Elyman" (= sorcerer; perhaps related to, Deut. xiii. 2, explained also from the Arabic alim = wise). He opposed Paul in his attempt to convert the proconsul, whereupon Paul, "filled with the Holy Ghost, set his eyes on him," and cursed him with temporary blindness, calling him "son of the Devil" ("Ben Belial"), and "immediately there fell on him a mist and a darkness," and he had to be led by the hand. The proconsul, "when he saw what was done," was converted. Simon Magus, to whom Bar Jesus bears a striking resemblance, is apparently the person mentioned by Josephus ("Ant." xx. 7, § 2), as "Simon . . . a Jew, born in Cyprus," who "pretended to be a magician," one of the friends of Felix, the procurator of Judea, and employed by him to seduce Drusilla from her husband. Azizus, king of Emesa. The same Simon Magus occurs in the story of Peter the Apostle (Acts viii. 20-24), of which the Paul story obviously forms a counterpart. New Testament critics therefore doubt the authenticity of the whole story (see Holmzmann, on Acts xiii., and P. W. Schmeded, in "Encyc. Bibl." ). The Syriac, taking offense at "Son of Jesus" being called "Son of the Devil," has changed the name "Bar Jesus" into "Bar Shuma" (Son of the Name); the Latin translation has "Bar Jesus," which again has led modern writers like August Klosterman to new conjectures.

Satanic Bloodline Dynasty Rothschild Choice // 911-The Movie-Longest 9/11 Documentary on the internet-PREPARE to be SHOCKED!

THE WOMEN'S MYSTERIES - Bona Dea was the only old Roman deity who admitted freed slaves to the priesthood as the foreign religions of Kybele, Isis, and Mithras also did. No social distinction between ex-slaves and the freeborn was evident in the veneration of Bona Dea. To the unease of patrician men, matrons of rank, prostitutes, poor women, and slaves partipated.

The priesthood spoke in the harshest terms against women drinking herb infusions that prevented conception. Canon lawyers equated refusal of hospitality to the fertile egg with murder, while absolving men who raped or killed in battle and fully intended to do it again. Warlords were protected by the church's fiction allowing for "just wars." For the priesthood, the sexual was sacred only if it was reproductive, and excusable only for the seed he sowed. http://www.suppressedhistories.net/secrethistory/secrethistory/kings_witches.html

Celtic Legends of Attacks on Priestesses - rapes we’re not isolated incidents, but a pattern of attack by aristocratic men that destroyed a social institution. Numerous Irish legends refer to the old religion fell, the fear was that the old taboos against violence in sanctuary were overridden, and new taboos came into being, such as forbidding females to approach certain holy wells. Numerous Irish legends refer to Christian monks barring women from wells. But even in the 12th century, when this and other legends were written down as the Grail cycle, the tellers still imagined divine reprisals against those who blasphemed against the animist holy places. The waters dried up, plants ceased to sprout and flower, and the meadows and forests shrivelled away. The theme of the wasteland in Celtic literature grows from this violation of the life-nurturers and the goddess without whom nothing grows. Goddess tradition

- Church and state both declared women inferior to men. Their movement and inheritance was limited. They had no legal standing except through male guardians. They had no recourse against philandering husbands, though the law could put an end to premarital coitus by an ordeal, as in the case of the Celtic goddess Bona Dea. The theme of the old Roman goddess Bona Dea, the matron of rank, is evident in the KALI, the goddess of the waters of the meadows. In fact, Bona Dea was the only Roman deity who admitted freed slaves to the priesthood, as the foreign religions of Kybele, Isis, and Mithras also did. No social distinction between ex-slaves and the freeborn was evident in the veneration of Bona Dea. To the unease of patrician men, matrons of rank, prostitutes, poor women, and slaves partipated.

The theme of the old religion fell, the fear was that the old taboos against violence in sanctuary were overridden, and new taboos came into being, such as forbidding females to approach certain holy wells. Numerous Irish legends refer to Christian monks barring women from wells. But even in the 12th century, when this and other legends were written down as the Grail cycle, the tellers still imagined divine reprisals against those who blasphemed against the animist holy places. The waters dried up, plants ceased to sprout and flower, and the meadows and forests shrivelled away. The theme of the wasteland in Celtic literature grows from this violation of the life-nurturers and the goddess without whom nothing grows. Goddess tradition.

**PARASITES, AND HOW TO ELIMINATE THEM NATURALLY** by Lawrence Wilson, MD. When people tell me that parasites are their problem, I always know that they are not in good health. The reason is that parasites only thrive in a toxic and nutritionally deficient body. If we can detoxify and nourish the body properly, which takes several years or more, most parasitic infections, including Lyme disease, will diminish in intensity to the point that it will not cause problems. Eventually, it will go away completely.

**DEC 1, 2011 - Statement by Attawapiskat Chief and Council on notice of Third Party intervention - ATTAWAPISKAT, ON, On November 30, 2011, an official acting on behalf of Joanne Wilkinson, Regional Director General for Aboriginal Affairs Development Canada hand delivered to Chief Theresa Spence, a letter indicating that the Department was exercising its authority under the terms of the signed funding agreement with the First Nation to appoint a "Third Party Manager" to handle the affairs of the First Nation citing the health and safety of the community members. This rationale is mere political deflection as the conditions cited by the Department are present in numerous other First Nations communities and this rational has been used by the Department to silence us when we brought these conditions to the attention of Canadian society.

There are examples across Canada where Third Party Managers are allowing similar conditions to exist while offering little or no aide to their appointed First Nation communities.

The communication of the decision to appoint a modern day Indian Agent was done by a Departmental official who interrupted a planning meeting of the communities’ emergency planning team, who were in the midst of implementing a strategy to assist the people living in tent frames and shacks. Chief Spence upon receiving the notification was incensed by actions of Aboriginal Affairs
Canada, not only by interrupting a meeting of the communities’ emergency team, but also by the cited reasons for the imposition of an Indian Agent. Chief Spence expressed surprise that after over a month of inaction, the Harper government had elected to blame the poorest of Canadian society rather than to offer assistance. Chief Spence said “It is incredible that the Harper Government’s decision is that instead of offering aide and assistance to Canada’s First Peoples, their solution is to blame the victim, and that the community is guilty, and deserving of their fate.”

Chief Spence also expressed concern about comments recently made in the House of Commons, regarding the funding levels claimed to be received by the Attawapiskat First Nation. Based on an analysis of the funding received by the First Nation, from the Department the amount received by the First Nation is in the range of $10,000,000, per capita on an annual basis for each on Reserve member, not the $50,000 as stated in the House and media. We have tabulated figures from 2005 to 2011 that clearly indicates the funding received is well below poverty line in Ontario. Housing and minor capital is a mere 6.5% ($6M over 6 years) of the $94M received over the 6 year period. The funding received by the First Nation is not distributed to Reserve members as individuals. It is used to provide specific services, and programs for the benefit and use of Reserve members. This is based on statistics maintained by the Indian Registry maintained by Aboriginal Affairs and Northern Development Canada. The First Nation has completed all of the necessary reporting requirements of the Department, including receiving unqualified annual audits for the funds received from the Department for the past six years. All of these have been reviewed, and have been accepted by Aboriginal Affairs and Northern Development Canada. If the Government of Canada wishes to re-examine the audits previously accepted by the Department, the First Nation will welcome, and cooperate fully with the exercise, and the true costs to operate in a remote, northern environment will be quantified.

The taxpayers of Ontario and Canada should be made aware that the majority of the $94M received to support the Attawapiskat First Nation over that past six years from Aboriginal Affairs does not remain or circulate in our community. The majority of these funds go to support the greater economy of Northern Ontario and Canada for goods, materials, services, contractor’s, legal advice and auditing services to mention a few, which in turn support urban northern communities such as Timmins, Sudbury, Sault Ste Marie, Thunder Bay, North Bay, Toronto, Kenora and Winnipeg to name a few. The majority of these firms are non Aboriginal tax-payers.

These are the very issues facing the community of Attawapiskat, and many other First Nation communities in Canada’s hinterland.

Chief Spence has said “On our traditional lands, that we once shared in the past with the visitors to our land, our lands, have proven to be bountiful in natural resources, and have been a benefit to all of Ontario, and Canada, but we were left behind. In our territory, we have a world class diamond mine, the pride of the Canadian, and Ontario governments, as well as De Beers Canada. They have every right to be proud of that mine, but each party has failed to acknowledge the First Nation peoples who continue to use the land as our grandparents did.” While they reap the riches, my people shiver in cold shacks and are becoming increasing ill, while precious diamonds from my land grace the fingers, and necklaces of Hollywood celebrities, and the mace of the Ontario Legislature.

My people deserve dignity, humane living conditions, for that our community asked for the assistance from my fellow citizens, for our simple request for human dignity, the government’s decision was to impose a colonial Indian Agent. Minister John Duncan has missed an opportunity to alter the relationships with First Nations across this country, and to renew the positive values of being a member of Canadian society.

Prime Minister Harper has forged another opportunity to build upon the good will developed from Canada’s National Apology for the abuses of the residential school system. a once in a generation opportunity.

Governments of the past respected our Peoples by negotiating Treaty Agreements. this government does not have the same perspective. The United Nations Declaration on Indigenous Peoples, of which Canada is a signatory, outlines the obligations to maintain, and ensure the position of my people. My First Nation has received generous support from the Canadian public, and many corporate sponsors who wish to address the concerns of my community, for which we are grateful. We have reached out to other First Nations in Ontario, and Canada, who share our concerns about the broken promises of Treaties, and lack of resource sharing for the wealth taken from our traditional Homelands. The era of not listening to the concerns of our people is at an end.

Why were phone lines cut before flames appeared outside of closed concrete building? 2) Editor's car exploded 30 seconds after he withdrew from smoke-filled garage (no flames) narrowly escaping instant death! 3) Police said phone lines were cut before flames appeared. 4) Det. White needs to read a book about what policemen should do when in the front line. He should read a book about trap mining. Why did the fire occur at the same time that the McGuinty government cancelled the Mega-Quarry clearance for a 2 year environmental study? Did an anti-Mega-Quarry protestor get his barn burned for no particular reason last week? Detective White needs sophistication in her training. Why should Torontonians take it for granted that car fires are ignited by cigarette butts and phone lines may stop working for no particular reason at the same time? Is it possible to take it for granted that no city service can be relied upon for professional expertise? Perhaps we should not have called 911 at all from another address and let things burn away. Why bother to report anything? The house almost burnt as well as the loudly roaring explosive flames came out 7 feet horizontally threatening the house for 24 seconds. More positively, the Fire Marshal's office did pay attention to our plight and spent serious time investigating. Street police (not the detective) who attended also asked us questions requiring descriptive answers and were told that the phone lines were cut. The private insurance engineer who investigated was thorough as well and concluded it was necessary to...

Instead, private banks charge the taxpayers interest needlessly for Canada’s infrastructure which used to be paid for by the Bank of Canada.

- In 1974 Trudeau and Chretien wrecked Canada’s economy by stopping the taxpayer owned Bank of Canada from issuing its own government monies and instead began to borrow from private banks. Total debt at the time was $66 billion. Today, Canadians pay $170 million daily in interest to Rothschild banks in Canada where the total debt is now more than $666 billion.

Mysterious Alberta explosion kills young woman- 23-year-old woman was killed and another woman was injured when an explosion rocked a housing complex in central Alberta Friday.

Innisfail RCMP said that a package arrived at the home by delivery shortly before the blast, but officers did not link the package to the blast. Nothing better to do but watch this woman’s building? Was she some one? INSURANCE? Someone try and kill her in a CAR ACCIDENT, WHO IS THIS WOMAN. WHAT IS HER STORY? RCMP cannot be trusted. Sgt. Webb said the package was delivered by hand.

The deceased woman was identified by friends and congregants of a community church as Vicki Shahtay, a young mother who was paralyzed by an earlier automobile accident. Shahtay’s aide, who was also injured in the blast, had been working at the home at the time of the explosion. Police are currently probing the cause of the blast, and an autopsy is set for next week in Calgary. Nearby residents of three other units were evacuated by officers Friday morning, but police said that most of the damage occurred inside one suite. RCMP officers also blockaded the surrounding neighbourhood, which is close Innisfail’s junior and senior high schools. Innisfail is about 100 kilometres north of Calgary.

Pat Martin - Twitter

Tirade: Tweet Ends Brief Era Of Parliamentary Civility - referred
to Conservative procedural tactics as a "(expletive) disgrace" and 'jackboot (expletive)."

Pat Martin merely put the conceit of parliamentary decorum out of its misery. The New Democrat was reacting to the majority government's repeated use of closure to curtail debate on major pieces of legislation by Canada's elected representatives, a tactic that's become so common it is no longer considered newsworthy. New Democrats were also smarting over comments by Environment Minister Peter Kent, who called the NDP "treacherous" — essentially treasonous — for travelling to Washington this week to lobby against the Keystone pipeline.

NPD Leader Nycole Turmel, meanwhile, opened Thursday's question period with this decorous question: "Economics for Dummies" - "Buying Jets for Dummies" and "Democracy for Dummies" - "Against these schoolyard taunts, Pat Martin's cussed crie de coeur seemed almost poetic.

Thursday ("Thor's day"). In Norse mythology, Thor is a hammer-wielding god associated with thunder, lightning, storms, oak trees, strength, the protection of mankind, and also hallowing, healing, and fertility. Thor’s hammer is often understood as an axe, which, when thrown, comes back like a boomerang.

Another common denominator among these operatives is their Church of Satan associations.

Activists protesting multi-national corporations, and their criminal control over politics and economics, are considered "subversives" to their COINTELPRO. This operation is reminiscent of J. Edgar Hoover’s COINTELPRO, used to "expose, disrupt, misdirect, discredit, or otherwise neutralize" the activities of activists and their organized movements. Proof of criminal operations surfaced involving CIA/FBI agents provocateurs attempting to discredit Horowitz. These covert operators include Greg Szymanski and Eric Jon Phelps—journalists allied with Timothy Patrick White, "Dr. True Ott," Doug Millar, Xena Carpenter, and a few others. This group was found consistently communicating their advocacy for the famous FBI/CIA operative Ted Gunderson, who is among the nation’s leading experts on pedophilia, satanic networks, and child-trafficking.

Aquino’s Church of Set, and several of the suspects named herein, have a lengthy history of psychopathic/sociopathic indicators. Church of Set ideologies, satanic sacrifices, murders, self-mutilating, cross-dressing, child kidnapping, child trafficking, and sexual perversions, especially pedophilia, are linked by numerous internet articles to Aquino, Gunderson, their higher ups in the Bush-Cheney directed CIA.

Thus, it is not surprising that pedophilia has spilled over into Wikipedia, as reported to the FBI earlier this year.

"Lifetouch Company", the largest publisher of school yearbooks in America. Their publications contain photos of most American children, a virtual menu for pedophiles and child trafficking. Lifetouch is partnered with Target stores. Target provides the CIA/FBI with their national forensics lab. Data on missing and murdered children reported to law enforcement is reportedly administered by Target company "volunteers." Consequently, all reports and photos of missing children are funneled through CIA/FBI sections with which Aquino/Gunderson are acquainted, if not actively engaged. Edward Harle/Christopher Story's Murder - Edward Harle, pen name Christopher Story, was killed July 14, 2010, according to reports. This followed Harle’s correct prediction of his assassination at the hands of: A) Benjamin Fulford, a COINTELPRO operative closely connected to Canadian/American counterparts--Phelps, White and Szymanski; and B) the "CIA/M16/Obama/Bush/Cheney" gang that includes all of the aforementioned agents, most likely. Harle published Fulford’s threat, and harshly criticized David Rockefeller, exposing his most profitable criminal practices. Fulford published his family’s ties to the Rockefeller family, occult theology, and before Harle’s murder, his contempt for Harle.

Harle worked for the British Monarchy (or M16), according to evidence, but like Fulford, Szymanski, Phelps and other COINTELPRO operatives (e.g., Timothy Patrick White and "Dr. True Ott"), he blamed wealthy Jesuits and Zionist/Jews for the world’s problems. It should be noted that this is a relatively small number of personnel that are carrying out a highly-effective global COINTELPRO. At the time of this writing, these agents in the US, Canada, and Japan, have initiated a smear campaign against these authors, Sherri Kane and Dr. Leonard Horowitz, issuing from France. In this way, using these methods and murders, this small group of people discourage thousands of political activists and their organizations.

Revelations about Harkins’s murder came after Horowitz and Kane discovered a plot to assassinate Horowitz advanced by these same agents provocateurs. Dr. Horowitz was the first researcher, worldwide, to indict the David Rockefeller-directed, CIA-linked, PHARMA-media promoted, World Health Organization (WHO) adminstered H1N1 fraud of 2009. The swine flu fright and fabricated "pandemic" was linked to PHARMA’s WHO manufactured H1N1s. The "pandemic" was promoted to sell vaccines and drugs. The PSYOPs is now preparing people for this year’s threatening H1N1-H5N1 deadlier pandemic.

To effectively extend counter-intelligence and their PSYOPs (i.e., psychological operations), frightening truths are mixed with lies by these agents provocateurs to undermine social and political activism.

+Divine Light (Akasha) is primal Element (prima materia) which all remaining Elements originate from. Divine Light is positive energy as opposed to negative dark energy called Death Essence by Neeramancers.

Light and Dark energy are mutually exclusive. To be more exact, Divine Light is where no Dark energy and Dark energy is where Light is missing.

- Dark energy can be banned either by extraction or by manipulation with Divine Light.

+Divine Light is always shining, but not all humans can see it. The concealment or revelation of the Divine Light shining through Daat ("unification"). does not actually happen in Daat itself. It only seems that way from the human perspective within Malkuth.

The perception of change can only occur in Malkuth. Humans who become self-giving like the Light become able to see it, and for them the benefits of Daat’s Light seem “revealed”. However, humans who remain selfish cannot see it, and for them its benefits seem “hidden”.

Daat is considered the point of creation, when the active principle of Chokmah, 'wisdom', i.e. knowledge which comes from without), meets with the passive principle of Binah, 'understanding', and creates the archetypal idea of 'knowledge'. These three are sometimes referred to as the "superconscious", Sophia is the Greek name for the Goddess of Wisdom. If Baphomet is written with the Hebrew letters b-v-v-m-i (skipping most of the vowels and just write consonants, except that in Hebrew the vowel 'a' is usually spelled with the letter 'a'), this reverses to s-v-p-y-a.

However, this sephirot is often not shown on the tree of life, and instead there is an empty space, straddling The Abyss. In fact, there are often two trees depicted, one which shows Daat but not Malkuth (the kingdom), and the other which shows Malkuth but not Daat. These are considered as being before The Fall of Man. and after The Fall, in which the fruit of knowledge is taken from the tree, humanity loses paradise, and falls into the earthly state of suffering represented by Malkuth.

The **Holy Spirit** and the **Age of Revealing** - The Holy Spirit was referred to as "Wisdom" (Sophia), and was equated with transcendent knowledge. This knowledge may extend to the son of god, and then to god himself, but it must first begin with self-knowledge. This is literally what Sophia of the Trinity is - knowledge of the self.

The conspiring forces that sought to make this self-knowledge taboo, and who distorted and complicated our understanding and veneration of the true Holy Spirit, were attempting to blot out the self from the Holy Trinity and from the spiritual canon. To imagine the Holy Spirit to be some vague presence, or some indefinable aspect of the Virgin Mary, a white ethereal dove, an abstract metaphysical principle, or an inexplicable mystery, suited the desires of the Christian priestarchy but denied their flock their most valuable key to the gates of salvation. What we were not told is that without the key of knowledge of the self, the other keys, should they even come into our possession, are worthless.

Organized Abduction, Torture, Exploitation and Murder of Women and Children on Canada’s West Coast

An organized system of abductions, exploitation, torture and murder of large numbers of women and children appears to exist on Canada’s west coast.

This system is highly funded and linked to criminal organizations including the Hell’s Angels, the Hong Kong Triad, and unnamed individual “Tree Angels” mobsters from Vancouver and the USA. It is funded in part by a massive drug trade, with which it is intimately connected.

This system is decades-old and has been supplied for many years with women and children from aboriginal reserves and residential schools, with the

paid collusion of lawyers, clergy and officials of the Roman Catholic, Anglican and United Church of Canada, along with state-funded aboriginal leaders and officials of the Department of Indian Affairs.

- This system is international in scope, involving coroners, judges, doctors, clergy, politicians and social workers, as well as the media. It also relies upon a network of “body dumping grounds” and mass graves, located in remote rural areas or on aboriginal reserves and both church and Crown land, where human remains are regularly disposed of by RCMP officers.

- This system relies upon a network of complicity extending to the highest levels of power in Canada and other nations, involving coroners, judges, doctors, clergy, politicians and social workers, as well as the media. It also relies upon a network of “body dumping grounds” and mass graves, located in remote rural areas or on aboriginal reserves and both church and Crown land, where human remains are regularly disposed of by RCMP officers.

The alleged "hooker game" is a protected system run by Vancouver police and RCMP officers in which prostitutes are arrested, drugged, raped and sometimes filmed as part of violent pornographic and "snuff" movies, in which they are tortured and killed on film.

The women killed in this manner are then disposed of at special body dumping sites monitored by the police.

- The witness claims that there are two levels of the "hooker game": the simplest level involves the arrest, drugging and raping of prostitutes, then releasing them. The witness estimates that at least one-quarter of all Vancouver policemen take part in this level of the "hooker game", and that the rest of the police force as well as the Mayor and Chief of Police are aware of it.

- The higher level of the game involves the use of prostitutes in snuff and pornographic films, and in torturing and murdering them. While unaware of the details of the more extreme level of the game, most police know of its existence but do not betray it or its practitioners for fear that their involvement in the lower level of the game will be exposed. The witness claims that the drug most commonly used on victims of the "hooker game" is SCOPALAMINE, a hypnotic barbiturate often termed a "rape drug", in which the victim is "dehumanized", obeying any command, and is unable to remember the events for some time. However, memory can return, and the fear of this occurring, more extreme game to murder the victims and dispose of their bodies. https://deeppoliticsforum.com/forums/showthread.php?6853-Organized-Abduction-Torture-Exploitation-and-Murder-of-Women-and-Children-on-Canada-s-West-

For all of the radiant beings who guide humanity toward the creation of a lasting peace on Earth, with her transformation into a heavenly planet under the purifying red light of the solar twins. There is an occult energy in the heart that comes from Tonatiuh, the Sun.

If man releases it, returning it consciously to the Sun, he becomes immortal.

But to liberate this energy, sacrifice is necessary.

Man must sacrifice the desires and habits that he adores, sacrifice them in himself, and turn the knife against the enemy that he carries within himself, that keeps his heart a prisoner.

In recent times men still remembered these words, but they have now forgotten their significance.

They have made enemies of other men to Sacrifice them and take out their hearts, believing such offerings would propitiate Tonatiuh.

Such is their degeneration, such is their superstition.

When fear unites with knowledge, terrible things are done. It is the self within ourselves that we have to sacrifice.

When people cease to respect and express gratitude for these many things, then all life will be destroyed, and human life on this planet will come to an end.

The Prophecy of the 8th Fire - THE 8TH FIRE
One Earth * One Whole Circle * Again. A vision of hope...for the future...for the Earth...for the children...for the children they may come to fork in the road. One road will lead to Materialism and Destruction for almost all living creatures. The other road will lead to Spiritual Way upon which the Native People will be standing. This path will lead to the lighting of the 8th fire, period of eternal peace, harmony and a "New Earth". Where the destruction of the past will be healed. Gnosticism / Neo Platonism - The ONE // Manly P. Hall -- What is Neo-platonism?

China needs to see the SNAKES with different glasses... 2011/09/28 by signature in Post trade Geopolitics, THETA - China is selected as an easy target for Western elected officials to bully because they always do that BLAME GAME. when the fault is theirs. The massive EVIL PROPAGANDA MACHINE has many adhere to China. Threat assumptions doesn’t help much

either. Not only that, the political squabbling these days is becoming more tabloid Hollywood gossip! No essence! Like Hitler and their Propaganda gang said. Repeat the LIE over and over and people will believe it. So with millions of dollars poured on information channels: They must do the LIE... LITTLE TRUTH - LIE sandwich. Sheepes eat it gladly like McJunk burgers accompanied by nuke-dipped French fries harvested from Zionist GMO grounds.

China needs to see through these tactics by the West, Zionists, Rothschilds, Rockefellers, Federal Reserve, Wall Street. Many are also ungrateful bastards when China has been the one helping the world during 2008 recession. It is so sad, because there are many good leaders out there and they are being pulled into deceitful schemes. Seriously, I don’t like the games of deceit. So many dishonest people the higher you go up the mountain. And when everything crashes, China will be the one whom these Zionist Bankers and their imbecile Economists come begging for China to rescue again. In fact, the parasites are already putting their roots in China http://michellestanw.wordpress.com/2011/11/07/china-needs-to-see-the-snakes-with-different-glasses/

The History of the Peace Train is about trains, it made sense to model this work after a train. The foreword assu mes the role of the engine, the body the various boxcars, caboose. The story is told in a steady rhythm and cadence that
matches the rhythm of a train’s motion over the rails. The meandering narrative of this history will resemble a train’s journey around winding rivers, mountain passes, valleys and gorges. There will also be rising crescendos, climaxes and anti-climaxes resembling climbs up steep mountain grades and descents into deep mountain gorges. In short, this narrative should read like a real-life train journey, so enjoy the ride.

Fukushima Disaster: Karma is No Chameleon but Shows Its True Colours © Timothy Watson
- They are lying to the public about the radiation poisoning of the world’s population. I think government officials have already evacuated to underground installations. The Canadian and South Korean governments are not owning up to the truth about the Cesium-137 radiation in the region of the Far East. Proton-based radiation goes west and Ion-based radiation goes east. We are getting iodide radiation, which has a 3-7 day half life. The more proton caesium-137 radiation has a 30.4 year half life and has fallen all over Korea and China. http://www.serenitystreetnews.info/FukushimaDisasterExposed.pdf

Satan’s Day Care - in 1983, a threem year-old named Matthew Johnson told his mother that Ray, a worker at the day care he attended, could fly. He went on to say Ray had thrown another child to lions, that he chopped off a baby’s head and set it on fire, molested a goat, conducted rituals with elephants and witches, taken the children on trains and planes and made Matthew drink blood. Rather than being treated as a fanciful tale or a bizarre or even alarming fantasy, Matthew’s story became testimony at the longest, most expensive trial in California history. http://library.universityofmichigan.edu/collections/films/60062684/15

B.C.’s Premier Clark breaks with decades-long first nations strategy - Two weeks ago, a delegation of B.C. first nations leaders led their own mission to China to prepare the ground with a different emphasis – that investors should be prepared to accommodate the interests of native peoples if they hope to do business here. Although the B.C. government is not walking away from treaty negotiations, some native leaders are worried the policy will leave behind communities where there are no ready investment opportunities. http://www.cannes.com/posts/886250?template=bulletin_mailer/posting&causes_ref=email

**Practitioner**, specializes in Learning Disabilities, Eating Disorders, Allergies, Addictions, Holistic Health and Healing. Academic assessments, educational consulting, sensitive issues, nutritional concerns and natural alternative options can be discussed confidentially by appointment.

Often times, these “disorders” can be **minimized** through proper diet modification and lifestyle changes. **Too many** students today are medicated with **prescription drugs**, in order to fit into the **classroom norm**.

**HOMESCHOOL SUPPORT:**
Jr. Genius helps to homeschool students up to the **college/university** entrance level and also can help them to become entrepreneurs if they choose this exciting route of real learning.

A fast growing number of Canadian parents are choosing this option. **US Studies** have shown that homeschoolers excel in intellectual maturity, talent diversity, interpersonal skills, independent thought and academics, at a pace that surpasses conventional schooling.

"One hour of private tutoring is equivalent to 6 hours of classroom teaching at a ratio of 1 to 20."

Home school graduates are in high demand at affluent universities such as **Harvard** and **Yale**. They tend to be successful entrepreneurs, who are motivated, responsible, well rounded, spiritually grounded and confident.

More about homeschooling, check out [www.flora.org/homeschool-can/](http://www.flora.org/homeschool-can/)

**MORE ABOUT US:** Our students range from ages 2-102 years of age, so the following can only minimally capture the intensity and diversity of the services that we offer.

Our mission is to provide quality, effective, and enjoyable tutoring at an affordable price.

We cover a **wide area** of subjects and have many options that clients can choose from - even for those on a tight budget.

Our **Instructors** are motivating and qualified in their subject area. Whether being experienced teachers, student teachers, or studying in their area of expertise, all abide by the **Jr. Genius Method** of teaching and cater to the student's individual needs.

Our **intense, updated curriculum programs** have been crafted most efficiently to parallel the **Study to Succeed Method**. (This method was uniquely designed and successfully implemented by the resident herself, while teaching high school Science and Math, in the York CDS Board for 12 years+.)

**OUR GOAL:** To teach students to become independent learners/thinkers.

This skill is not taught in conventional schools. Students must **regurgitate information** stored in their **left brain** onto a test paper. This information is decided on, by the **status quo** (even if the student feels that there is a different answer, with provable explanation). Any other answer to a question is often incorrect as a result. **Students need to explore information** and challenge its source. The **system** does not promote independent thought, therefore easily influencing the thought patterns of the student. See [www.pushhamburger.com](http://www.pushhamburger.com) or [http://www.conspiracyarchive.com/](http://www.conspiracyarchive.com/)

The **STUDY TO SUCCEED METHOD** incorporates all the **senses** required for processing information, while reinforcing **time management** and **organization**. Combined with the right tutor match and motivation, **students will learn** quickly and efficiently! Our programs, cram notes and mock exams are available to assist in this acceleration.

**BY POPULAR DEMAND!**
One on One tutoring is the most effective, fastest way to learn. Often done in the home, parents can monitor the lesson. **Homework and tutoring frequency** is solely based on individual client requests. This allows budget-based clients the freedom to use lessons as required. The **speed** at which the student chooses to learn depends on their desire. **No information is held back**, thus minimizing tutoring hours and costs.

Colloidal Silver Homemade Generator Kit - HOW TO ASSEMBLE your own generator

1. Take 3 9v battery holders and solder them together in series (+ to –) to (+ to –) to (+ to –)
2. Attach the red + end of battery holder to insulated wire (like phone cable) and to red (+) battery clip
3. Attach the black (-) end of battery holder to insulated wire—end to black (-) battery clip.
4. Solder all bare wire and cover with electrical tape. Wrap all 3 battery holder clips together using electrical tape to prevent damage and short circuiting.
5. Test with a voltmeter to see if 27V of DC current flows thru the generator after connecting 3 9v batteries. (Car batteries and booster cables can be substituted for the above. Also pure silver, gold coins will work)

Gold has a higher frequency than silver, while the frequency of titanium is higher than gold. Nothing on planet Earth in microbe form can survive the frequencies of colloidal titanium and colloidal gold, while colloidal silver will destroy nearly all of them.

6. Use 2 Pure silver wires for electrodes. Wrap pure gold and pure titanium wire around the silver wire. Attach it to the positive electrode.
7. The 3 wired Colloidal + IONS will flow from the Positive electrode to the negative electrode.
8. Clip on 3 9v batteries. Test on voltmeter to see if it reads 27V.
9. Use reverse osmosis water (or distilled) if available. CLEANEST water is KEY! Ideally, purchase an RO system that connects to your kitchen tap. (Some systems have UV light).
11. Laser Light test the water. If the laser shines thru the water without creating a streak, then the water is PURE with no particulates.

Now you can make OLEE H2O™©)

1. Attach the silver wires onto the neg and pos alligator clips. On the red clip (+ positive), wrap the gold and titanium wire around the silver wire.
2. Suspend the wires in the water (glass jar), keeping them apart with a clip or ruler (at least one inch). DO not get the alligator clips wet. ONLY THE WIRES are in the water.
3. Put the glass jar with the generator in a dark place.
4. Check the colloidal concentration with a laser to see if you get a cloudy streak now. (Check light beam density every hour)
5. More ppm concentration in water, longer it takes. (about 1 litre / 1 hour is ideal)
6. The ppm (parts per million) will increase to a point, where eventually you will get too much colloids and it will start to settle out as a precipitate.
7. Your solution should still look clear, like pure water. The only difference is the cloudy beam of particulates by LASER light testing.
8. Store in a dark place in a clear container. (opaque/non-reactive). A glass jar or a milk jug works fine if stored in a dark place.

Ozoneate water with UV light or ozonator to add more oxygen content.

I make herbal teas with my OLEE H2O™© and drink it freely, about 3 glasses/day. NEVER worry about turning blue, like the medical cartel wants you to believe.

I also sun tan without sunscreen. The UV light heals your body and also produces vit D. I am NOT BLUE and drinking OLEE H2O™© for years/daily.

Candida is a fungus that is a culprit for bloating, fatigue and weight gain.

Titanium and Gold fused quartz crystals in RO water can also help to stabilize and purify water.

New Energy Invention - Magnetic Motor 06/49 - 2 years ago

Fascinating demonstration of a new energy invention with the potential to vastly transform our world. Using only magnets, two plastic strips, and rotating components, this video clip shows an intriguing device that is able to generate power using nothing but natural magnetic forces. This is only a proof of concept video. There are many variables to be worked out but the potential is clearly demonstrated. If you take the small model in the video and extend it for 20 feet upwards or so, the magnet should easily jump up 12 feet or more. A simple device could then pull the magnet off the track dropping it down and thus generating energy through gravity by passing through one or more rotors. Double the length and bottom could then slip the magnet right back into the bottom of the device where magnets would again pull it up, thereby creating perpetual motion while generating power. A circular track might also create a similar effect. Any inventor want to play this toy and potentially transform our world? For more on the origin, specifications, and future development ideas of this project, see http://www.ajuns.com/. We ask you to spread the word and help to make this exciting project a reality. Licence is barely grazed for this invention. You are free to copy it, alter, develop it, and include it in any non-commercial applications free of charge. For centuries, people have been trying to find a design that made use of the obvious very strong push-pull of the North South poles. Theought genius of this design is that, counterintuitively, it does NOT try to use this main axis of magnetization as its direction of travel, but instead runs along in the energy in the far weaker but still-able-to-be-used-one, counterintuitively, indefinably. “East-West” plane (perpendicular to North-South axis). We have oriented the stacks at about 60 degrees to the direction of travel. And this will demonstrate the effect most. For an even-more-dramatic effect, build a trackway where the stacks which are at sixty degrees to the direction of travel alternate with stacks that are placed flush up against and parallel to the direction of travel.

Orgone Masters Steps

1. Spray molds with high vibration oil.

2. Add neodyne magnet (or pure copper penny if no magnet), then copper/ aluminum shavings to bottom. North side down. This will allow a MAX DIPOLE. USE this magnet part to deactivate chip implants. (+ qi)

3. Add crystal that is clockwise wound and pointed upward.

( Tighter Winding = more squeezing = more piezoelectric effect. ) COIL EVERY quartz CRYSTAL CLOCKWISE ( RHR=right hand rule for flow of electrons (-) to the (+) N POLE Magnet that you add. If you have other crystal types, they can rest in a chamber of copper-coiled clockwise, winding upward like a staircase. Eternal PIEZOELECTRIC SQUEEZING COMES FROM RESIN AFTER DRYING)

4. Add grounding stones, shell, seeds to top and sides to cover the metals.

I add glass beads or various other crystals from necklaces for different colour and frequency emissions. ROYGBIV rainbow colors for Chakra balancing. If you are going to do that, then they have to also go on the magnet side. Lay down the coloured beads or crystals and the magnet N + down first, then coiled crystal. and shavings around it. Amethyst is great for psychic attack prevention. Amethyst can also be added and coiled like clear quartz. ( Purple is High Frequency vibration so it can activate dna to that level.)

5. Add hardener to resin. Cover with resin (outside). Pour, let sink in then add to top it off. Cover crystal so that it is not bare.

6. MAGNETS attach to railings on highways, stair wells, electrical boxes, fences, some utility poles and death towers, etc. They attract negative energies into the orgonemaster and are processed out the tip into positive orgone.

KEY- orgone is generated by a combo of inorganic metals and an organic matrix. Glass beads are much like fiberglass resin. (your body is an organic matrix, so DAISY DOWSERS act like orgone generators on your body. The crystal is coiled in a clockwise motion in copper wire for +qi. Dowser need to be cleansed in PURE incense smudge and charged in full sunlight and/or moonlight. Sweetgrass, cedar, white sage are my favourites http://sacredfeathertraders.com/)

Use your intuition. ALWAYS wrap the quartz crystal from FLAT to TIP CLOCKWISE (your hand is moving in a clockwise direction, so that it gives out +/NOT - orgone.) Binding the crystal in copper wire controls the hyperinfinity and POLARITY in crystals, so they don’t access all dimensions, including the lower/negative ones.

Avoid phallic shapes. I DO NOT MAKE PYRAMIDS (ego,masculine, phallic/ fission/ explosive E). Just an ignorant flip of the magnet, crystal or coil in the wrong direction and you can be bringing in a whole STARGATE of unwanted visitors. They will increase the dipole in the orgone. The piezoelectric effect occurs only in non-conductive materials. Piezoelectric materials can be divided in 2 main groups: crystals and ceramics. The most well-known piezoelectric material is quartz (SiO2). Quartz SiO2

Introduction

The trigonal crystallized silica of SiO2 is known as Quartz and is one of the most common crystals on earth’s surface. It has a simple hexagonal structure made of . Quartz as a very pure crystal and contains only traces of other elements. Natural quartz contain: A13+: 13 to 15,000 ppm, usually only 100 ppm , Fe3+: Ti4+: P5+: H+: Li+: Na+: 9 to 1400 ppm K+: 3 to 300 ppm Density: 2.65 g/cm3 Mineral class: Oxides/hydroxides

Piezoelectricity-Quartz shows a strong piezoelectric effect perpendicularly to the prism axis. Applying pressure on a quartz crystal generates an electrical polarization along the pressure direction. Alternatively, applying an electrical tension leads to a mechanical deformation of the crystal.

http://66.49.206.24/piezomaterials.com/

-Although the magnitudes of piezoelectric voltages, movements, or forces are small, and often require amplification (a typical disc of piezoelectric ceramic will increase or decrease in thickness by only a small fraction of a millimetre, for example) piezoelectric materials have been adapted to an impressive range of applications. The piezoelectric effect is used in actuation applications, such as in motors and devices that precisely control positioning, and in generating sonic and ultrasonic signals.

What can piezoelectric ceramics do?

Mechanical compression or tension on a poled piezoelectric ceramic element changes the dipole moment, creating a voltage. Compression along the direction of polarization, or tension perpendicular to the direction of polarization, generates voltage of the same polarity as the poling voltage. Tension along the direction of polarization, or compression perpendicular to the direction of polarization, generates a voltage with polarity opposite that of the poling voltage. These actions are generator actions – the ceramic element converts the mechanical energy of compression or tension into electrical energy. This behaviour is used in fuel-igniting devices, solid state batteries, force-sensing devices, and other products. Values for compressive stress and the voltage (or field strength) generated by applying stress to a piezoelectric ceramic element are linearly proportional up to a material-specific stress. The same is true for applied voltage and generated strain.

If a voltage of the same polarity as the poling voltage is applied to a ceramic element, in the direction of the poling voltage, the element will lengthen and its diameter will become smaller. If a voltage of polarity opposite that of the poling voltage is applied, the element will become shorter and broader. If an alternating voltage is applied, the element will lengthen and shorten cyclically, at the frequency of the applied voltage. This is motor action – electrical energy is converted into mechanical energy. The principle is adapted to piezoelectric motors, sound generating devices, and many other products.

There are three common types of thermosetting resin to choose from: epoxy, vinyl ester and polyester.

**Fibreglass Resin ( BONDOMOST**

**COMMON** and has glass which is **CRYSTALINE**. To form fiberglass, thin strands of glass are separated into minute fibers. These fibers retain the properties of glass, but can be pliable and mixed with other products. fiberglass can be combined with a wide range of materials, depending on the desired end product. When mixed with resin, fiberglass becomes very thick and is temporarily quite malleable.

Molding, molding and lamination processes can be performed with any system. **Epoxy is the higher performance** and higher priced system. It is used in weight critical, high strength, and dimensionally accurate applications. **Vinyl ester** offers corrosion resistance, heat resistance and is blended for toughness. **Polyester resins** are less expensive, offer some corrosion resistance, and are more forgiving than epoxies. For this reason, they are the most widely used.

**Epoxy vs Vinyl Resin**. The number of links of epoxy molecules is to a kevlar fiber would be much harder to count than the number of links made by vinyl ester resin to a kevlar fiber. Epoxy is a yellowish resin has more bonds of elasticity, so it will PULL/PUSH more on the CRYSTAL. Vinyester resin is just easier to use at the factory level but nowhere near as strong as epoxy resin. The cross linking is just not there in vinyl ester resin and the kevlar fibers can pull out of the glue more easily when stressed.

http://66.49.206.24/redrockstore.com/resin.htm

Quartz crystals have piezoelectric properties; they develop an electric potential upon the application of mechanical stress.

**Major varieties of quartz**

Chaledony Cryptocrystalline quartz and morganite mixture. The term is generally only used for white or lightly colored material. Otherwise more specific names are used.

Agate Multi-colored, banded chaledony, semi-translucent to translucent

Onyx Agate where the bands are straight, parallel and consistent in size.

Jasper Opake cryptocrystalline quartz, typically red to brown

Aventurine Translucent chaledony with small inclusions (usually mica) that shimmer.

Tiger’s Eye Fibrous gold to red-brown colored quartz, exhibiting chatoyancy.

Rock crystal Clear colorless

Amethyst Purple, transparent

Citrine Yellow to reddish orange to brown, greenish yellow

Prasolite Mint green, transparent

Rose quartz Pink, translucent, may display diastereism

Rutilated quartz Contains acicular (needles) inclusions of rutile

Milk quartz White, translucent to opaque, may display diastereism

Smoky quartz Brown to gray, opaque

Carnelian Reddish orange chaledony, translucent

Dumortierite quartz Contains large amounts of dumortierite crystals

Natural quartz crystals are almost always qi dipoles. When a crystal has one end smooth and pointed, and the other end rough, it is usually the smooth end which is positive, and the rough end which is negative. This situation, with one end rough and one smooth, is the most common two stone dipoles. If you touch the two positive ends together, or the two negative ends or poles together, then negative qi is generated. If you touch a negative pole to a positive pole, a positive qi charge is generated

MAGNETS and NORTH POLE positive qi is streaming out from the north pole of the magnet, and negative qi from the south pole. Neodymium magnets are part of the rare earth magnet family and are also called NiFeB magnets (NIB) because
of their composition: Nd = Neodymium, Fe = Iron, and B = Boron.
- use a compass and
the needle that usually points to the north will point to the south pole of the magnet.

Positive pole of a dipole is brought to the south pole of a magnet, or if the negative pole of a dipole is brought to the north pole of a magnet, positive qi is generated (at the point of contact). If a negative qi pole is brought to the south pole of a magnet, or a positive qi pole to the north pole of a magnet, then negative qi is generated.

If a qi dipole is placed directly over a compass or bar magnet, aligned with the compass needle or bar such that the positive qi pole points north and the negative pole points south, positive qi is generated (in center of the stone or dipole); in the opposite case, when the positive pole points south and the negative pole points north, negative qi is generated.

Now we curl the wire so that the ends come together and it becomes a continuous circle. As soon as the ends touch, two currents of qi begin to flow through the wire.

Positive qi flows from the positive crystal pole to the negative crystal pole, and negative qi flows from the negative crystal pole to the positive crystal pole

The end of the magnet which points north is called its north pole, and the end pointing to the south is called its south pole. Given any magnet, its north pole, by definition, is the end which will attract a compass’s south pole, and repel a compass’s north pole. Back about 1600 Gilber discovered that whole earth is a magnet, and that one pole of the earth was far to the north and one pole far to the south.

Since the north pole of a compass points to the southern pole of the earth, the northern pole of the earth is really a magnetic south pole (a historical paradox).

Magnetic lines of force. Each of these lines of magnetic force has a direction, and to see which way any given line tends at any given point, one has to do is to place a compass at that point. The compass needle aligns itself with the magnetic line.

Orgone is the Universal Life force, the basic building block of all organic and inorganic matter on the material planet. Coined by Dr. Wilhelm Reich. Orgone has been called Chi, Prana or simply the Force.

Most of the ancient healing practices, shamanism, religious miracles, special power of priests and their spiritual work are unthinkable without the use of orgone energy now.

-Cleans the air and helps you breathe better. Orgone can help those with asthma and those with breathing problems.

-Eliminates toxins, poisons and radiation from the air

-Defeats chemtrails and keeps your skies clear.

-Promotes natural health, keeps you from catching every flu virus under the sun. Stops headaches and migraines, improves overall health.

-Knocks out bad thunderstorms before they get to your area, chills out tornadoes headed your way. Those areas gifted with Orgone suffered the least amount of damage from Hurricanes.

-Nullifies the effects of the strong subliminal messaging NWO towers erected everywhere.

Stops ELF (Electromagnetic Low Frequency) attacks

-Helps you sleep better. Stops sleep abductions.

-Repels anything evil and keeps it away from your home, yard and family. Emits positive energy, evil can’t stand being around it!

What is Orgone? Read the article from the Idaho Observer at http://proliberty.com/observer/20030512.htm

ORGONE, [LIFE FORCE]: THEORY OF OPERATION

Electricity, magnetism, gravitation, elf waves, cell phones, radioactivity, etc. are all invisible energies on the physical plane of existence. They all give off vibrations. Some of these man-made vibrations are harmful to humans. Wilhelm Reich called them DOR (deadly orgone). The strength of these DOR forces diminishes with the square of the distance traveled. LIFE FORCE is also invisible. It is not man made and can even be directed mentally. The great shamans, medicine men and healers of all times used their minds to send LIFE FORCE. Many sensitive people can feel this force.

Orgone Masters have Neodymium magnets that suck in the Dead Orgone Energy (DOR). The metal shavings in the resin collect the DOR. The copper called Quartz Crystal converts DOR to Positive Orgone Energy (POE); LIFE FORCE.

NEGATIVE Energies are neutralized. Gives the area a protective AURIC FIELD.

With FEAR, the auric field is greatly diminished, thus leaving the individual open to NEGATIVE energy attacks or dis-ease.

CATS are the best reptilian detectors and reptilian busters known to mankind. They have known to wake up female abductees moments before the onset of a reptilian abduction or rape.

I recommend seeing someone along these lines if you are getting attacked by entities. Once your aura is strong and clear, the orgone can be a shield that can strongly work with you. If you are angry, drinking, drugging, having sex without love, etc., then the orgone can only protect you so much, because your aura is wide open for access to all the negative energies. Protect yourself from Psychic attack! // How to release a negative entity from your sphere

At an Inquisition in 1308, the Knights Templar were accused of ‘having idols, namely heads, that they adorned these idols, said they could save them, and that the heads could create riches, make trees, flower and land germinate’.

It was believed the sculpted heads were inspired by the dark-skinned Egyptian Goddess, Isis, consort of Osiris, the dying-and-reviving vegetational god, and mother of Horus, who was the reborn Osiris and identifiable with the Egyptian Pharaohs.

http://www.crystalinks.com/temp1.html. It was only with the discovery of the Dead Sea Scrolls that we rediscovered the ancient Jewish code called the Atbash cipher. This involved taking the first letter of the alphabet, and substituting for it the last letter - taking the second letter, and using the second last, and so on. Baphomet becomes the Greek word Sophia, which means Wisdom. What the Templars were worshipping was the search for Wisdom, or Truth, and not some goat headed monster.

-We have never heard of the voyages of Henry Sinclair, from Rossllyn Chapel, because Sinclair was a Knight Templar, and his story has been suppressed because the Templars were anathema to Rome.

- In 1398, after many delays, the Order’s early occupation of the Temple Mount in Jerusalem and speculation about what relics the Templars may have found there, such as the Holy Grail or the Ark of the Covenant.

Their political and ecclesiastical masters believed the Knights were too powerful and wealthy. So they accused the brave brotherhood of heretical religious observances, including the worship of enchanted human heads. It is currently the Roman Catholic Church position that the medieval persecution of the Knights Templar was unjust; that there was nothing inherently wrong with the Order or its Rule; and that Pope Clement was pressured into his actions by the magnitude of the public scandal and the dominating influence of King Philip IV.

-By papal decree, the property of the Templars was transferred to the Order of Hospitaliers, which also absorbed many of the Templars’ members. In effect, the dissolution of the Templars could be seen as the merger of the two rival orders.

There is no clear historical link between the Knights Templar, which were dismantled in the 14th century, and any of these other organizations, of which the earliest emerged publicly in the 18th century. However, there is often public confusion and many overlook the 400-year gap. There are many self-styled Orders. Since at least the 16th century the Freemasons have incorporated some Templar symbols and rituals, most of which being found within a Masonic body referred to as the United Religious, Military and Masonic Orders of the Temple and of St John of Jerusalem, Palestine, Rhodes and Malta, or simply the Knights Templar. This organization exists either independently or as a part of the York Rite throughout much of the world. The Sovereign Military Order of the Temple of Jerusalem, founded in 1804, has achieved United Nations NGO status as a charitable organization.

Many of the Templar legends are connected with the Order’s early occupation of the Temple Mount in Jerusalem and speculation about what relics the Templars may have found there, such as the Holy Grail or the Ark of the Covenant.

Hailing Another Mary

What then do we know of the mystery surrounding the heretical Cosa’s 1500 map which shows the new world divided into circles? First, Cosa got it right! He wasn’t using Cabot’s discoveries but was relying on a hidden tradition of knowledge that went back at least a thousand years; second, he placed Cape Breton exactly where it belongs - as the centre of one of the circles.

The Cosa map contains another vital clue in our quest to find the grail. It is dedicated to the Magdalene Madonna. Gardner informs us that the Knights Templar brought back back information from Jerusalem that disproved the apostolic succession from Peter to the popes. They found the Jerusalem Church documents that gave the succession to the children of Yeshua and the Magdalene, with Mary, the wife of Yeshua, being, rightfully, the true mother of the Holy Grail dynasty. These documents had been lost since the Jewish Wars of 68-72 AD.

The Notre Dame cathedrals were all dedicated to the Magdalene, and the Roman church, in its attempt to wipe out the Grail dynasty, decided that all other churches would be dedicated to the Blessed Virgin Mary. They further declared that she could only be portrayed in blue and white robes, “so as not to grant her any rights to ecclesiastical office in the male-only priesthood.”

As a result, the Magdalene was “portrayed by the world’s great artists wearing the red mantle of cardinal status, the black robe of a Nazarite High Priestess, or the green cloak of fertility, and there was nothing the church could do about it.” (Gardner, Bloodline of the Holy Grail) Mary Magdalene platist

Knights Templar were the Grail protectors. They were admonished to go where the church had no jurisdiction, the other Outremer, America. They would journey over many times in next 200 years before their downfall in 1307, bringing sustenance and hope to the hidden refugees, the Grail heirs. Hence we see on the Cosa map two images of the heretical Madonna, the wife and child of Jesus. She is dressed in the red robe of a cardinal, and under it, the black dress of the Nazarite High Priestess.

The Magdalene should have been the first recognized pope, with her children inheriting the thrones of the Earth. Instead she is the stone-rejected by the builders of the church, one who will “become the head of the corner: this is the Lord’s doing, and it is marvelous in our eyes?” (Matt: 21:42) So, there’s hope for the future, that the true heirs of the Holy Grail will one day rule, and the land will flourish.

By 1531, the grail heirs had been successfully hidden in the bosom of native American.  

“This fruitless land waits for a time when once again the Grail will appear to all with its light shining and its message spreading for all to hear. Paradise will be restored. The king will be healed. The maidens will return. The wells and springs will flow once again with the golden essence of happiness, love and freedom.

This will occur when there is a realization, a caring and a honoring of the wholeness of life: the equality of the Goddess-Queen and the God-King, the female and the male, the Earth and the Heavens a true Oneness for all.

This is the vision we need to hold in our minds and our hearts as we live the message of Divine Humanity and embark on our own Inner Grail quest. For in healing ourselves we begin the process of healing the Earth.” (The Holy Grail, Malcolm Godwin, Viking Penguin, New York, New York 1994, pp. 20.)

The Grail, then, is about finding a connection with Mother Earth and living in harmony with her. It is also about our own personal lives, and how we’d like to live them, in a wasteland or an edenic paradise. But we have to make the choice. We have to ask, who serves the Grail? Who serves Bounty, Harmony, Hope? And we have to answer, without hesitation. I don’t serve the Grail.

For if you do not seek for yourself, evil (FEAR driven beings distant from LOVE) will cleverly dictate what it wants you to believe and think about the world, because evil places itself where it benefits most. It co-insides. It benefits. It taps all your senses. It offers you things you want. You must realize good, trusting people of the world, that of course, evil is in every important place of educational, social, media, commerce, arts & entertainment, healthcare and political decision making positions. It’s only logical that to control the masses you must control what
the masses think they know and what they think they want, but more so, what they really need...like water, food, shelter and clothing. Is it not in our figuring out the difference between what we want and what we need in life the most manipulatable part of life's journey? This is where evil waits to lead you to temptation, where fear of not attaining what is socially expected is the driving force. It takes a long time before you begin to realize what is really happening in the world around you, what evil is doing to direct you in every moment. What evil is 'selling' you. Most of your desires are not really yours, we want what we think we should want. The electron energy surrounding a deceitful person does not exist in a proton Heaven, you cannot get in with it. Only the truly righteous get through the Gates.

Tuatha De' Danann

Mary Magdalene

According to Sir Laurence Gardner, Mary Magdalene was known in the Languedoc as the 'Mistress of the Waters.' This title aligns her with the Mother Goddess Aca (Isis). As the Miriam, she was the Head Sister of the Order of Dan. Her order appears to be the continuation of the mysterious tribe of Daniel Daniel ('God is my judge') was not a personal name.

http://www.bibliotecapleyades.net/merovingians/blueapples_05.htm

- 'Daniel' was a title used to distinguish "a person of the Goddess Dana or Diana." 3

Diana is the same as D’Inanna or Inanna. There’s your trouble. That is exactly the same meaning as the Celtic Tuatha De’ Danann ('Children of the Goddess Dana').

Tuat is the root for also: Tuat, the Egyptian name for the Inner World, the root of Taautus, another name for Thoth. 5 Tuat the Egyptian name for the great serpent (soul) encircling the Earth & whom Gnostics identified with Jesus.

This is no coincidence. There are plenty of historical connections between the people of Daniel, the Tuatha De’ Danann (pronounced tho-ah-huh duh-DAH-num), and the Egyptian tribe of Thoth. As we will see, they were later known as the David and later as the Druids.

In Irish history, the M-stical Tuatha De’ Danann, are described as heaven-sent ‘gods,’ and not ‘gods.’ They are compared with the Sanskrit deva (shining one, god) and adeva (Devil), which became daeva (devil) in Persian. The Old English devil (devil) can be traced to the Roman derivative divus, divic gods.

This confusion may explain why the writers of the Old Testament didn’t particularly care for the Danites, whom they said would judge (balance) the people and were called Seraphim by Jacob.7 a title typically (and erroneously) reserved for Satan, whom the Egyptians called Sata, serpent.8

According to Celtic/Druide legend, on Beltane or May Day, in a fog, the Tuatha De Danann came from the air to Ireland to teach young men sacred wisdom.

After conquering Ireland, the Tuatha De Danann were themselves conquered in a shoot out with another tribe, the Sons of Mith (the Gaels). Per this agreement, the people of Daniel were required to leave the surface of the Earth and live in an underground kingdom accessed only through the sidh-mounds (pronounced ‘she’) or ‘hollow hills’ of Ireland.

Correspondingly, the Egyptian Tuat, the ‘Place of Ascent,’ 11 was an inner realm accessed through a ‘mound’ we call the Great Pyramid. In the sidh-mounds the Tuatha De Danann assumed invisibility, with the power to reappear in human form at will or ascend to higher planet(s). From their sidh-mounds the Tuatha De Danann, the continued to teach their forbidden mysteries.

After their banishment to the interior world, the Tuatha De Danann were transformed into devils by the Catholic Church. Their stature was considerably shrunk in size, too. This is evidenced by the term henceforth applied to them, fairy folk. The Church is understandably reluctant to admit this (just as the Japanese are sheepish about discussing their ancestors the Ainus -- the Children of Diana -- who were fair, tall and blond and came from the sky, left for the skies, and will return from the skies). As they withdrew, the Tuatha de Danann prophesied that man would eventually destroy himself through lust and sin. Despite their apparent contempt, the ancients accepted the Dan-El or Daniel, as wise people and prophets of immense importance. As judges they were the Messiahs or ‘balancers of Heaven and Earth.

Connecting Mary Magdalene, the Head Sister of the Order of Dan, with the Biblical people of Daniel and the Tuatha De Danann slips the ‘decoder ring’ of Rennes back on our finger. It 'opens the book' on her secrets: the existence of the Dan's stargate at Rennes-le-Chateau linking Earth with AMOR.

The fact that in the Hindu Vedas the word Anu or Dum means "the waters of heaven or space," 20 and is only one letter away from the name for the waters of heaven or space, "20 and is only one letter away from the word Anu or Dum, means ‘the waters of heaven or space’, and is the ticket to Heaven. Your tears of joy your pathway in.

Bioorganic sodium in known in Naturopathic Medicine as the youth element. Arthritis does not come with old age. It is a lack of this essential mineral that brings on the symptoms of old age. The highest sources of bioorganic sodium is found in goat milk and sweet goat whey. It is the sodium that keeps the goats young, active, flexible, and limber all of their lives. There are no old goats in the human sense. They can climb, jump, leap, and walk all of their lives because bioorganic sodium is the joining mobilizing mineral that makes this possible.

Coffee, tea, sugar, white flour products, chocolate, alcohol, and especially soda drinking produces a high stomach acid imbalance that sucks the bioorganic sodium right off the walls of the stomach and colon. This condition sometimes takes many years to manifest itself and is not noticed until it becomes a named disease. Mindless over-the-counter drugs like Tums, Pepto Bismal, and bicarbonite of soda, as you may well know, is the wrong type of sodium. Like all drugs, without exception, cause more long term problems than short term solutions.

In naturopathic medicine we believe that God provided the answer in Food Medicine. Goat milk and goat whey are natural food medicines designed to both nourish and heal, prevent and treat the stomach, colon, intestines, and arthritis like conditions.

Goat milk is one of the best food medicines for rebuilding the brain. Nervous system, and mental faculties. Goat milk is one of the finest foods for regenerating the cells of the body and bringing a person back to health.

After mother’s milk, goat milk is the ideal food for weaning a child. It is the nearest to mother’s milk in composition, nutrients, and natural chemical properties. Goat milk digests easily making it the perfect food for children, the elderly, those with digestive difficulties, those recuperating from a disease or health conditions, and your pets that have been weaned from their mother. Goat milk neutralizes acids and toxins. Goat milk is high in healing enzymes and has a superior form of calcium than cow milk. http://www.abundalife.com/goats.asp

EARTH CHANGES, SURVIVAL & SELF SUFFICIENCY LINKS
http://www.greatdreams.com/survival.htm
http://www.tenant.net/Community/steal/steal.html

Forming a food cooperative is one of the best ways to promote solidarity and get every kind of food you need to survive real cheap.

Call a meeting of about 20 communes, collectives or community organizations. Set up the ground rules. There should be a hard-core of really good hustlers that serve as the shopping or hunting party and another group of people who have their heads together enough to keep records and run the central distribution center. Two or three in each group should do it. Remember the idea is to get tons of stuff at real low prices or free into a store front, and then break it down into smaller units for each group and eventually each member. The freezers allow you to store perishables for a longer time.

Know what food is seasonal and about nutritional diets. There is a lot to learn, such as where to get raw grains in 100 pounds lots and how to cut up a side of beef. A good idea is to get a diet freak to give weekly talks in the store front. There can also be cooking lessons taught, especially to men, so women can get out of the kitchen.

Organizing a community around a basic issue of survival, such as food, makes a lot of nitty gritty sense. After your conspiracy gets off the ground and looks permanent, you should seek to expand it to include more members and an emergency food fund should be set up in case something happens in the community.

Cure All Disease
A New Cure for Cancer - A metaphysical short film that examines relativity, the spin of electrons in fluids we consume and its impact on one’s health. A must see for anyone who requires water for survival.

*Understand: the human H2O molecule is surrounded by an "electron" whose orbit is in a 180 degree/half-circle to the South. All fluids consumed each-day are first "forced-through metal piping which cause their electron to spin/orbit" to the North, like the insects molecular-rotation. To drink this in-correctly influenced fluid means that you are "NEGATING" your own “7 year cellular rebuild cycle” thus causing your early demise! To begin to “south-spin” ALL FLUIDS before consuming means that you are giving your body exactly what it needs to replace its cellular system. Now go to: A New Cure for Cancer

To do the “3-finger” technique position, requires the three circles of blood to be directly in a line with the glass of fluid intended for about 12 seconds. To “flatten soda or beer” it is required for approx. 1 minute. But to make wine taste delicious do it for about 30 seconds. This new technique can also be achieved by using the “south-side” of a magnet. Do you know which end is South?

Stan Deyo has held Above Top Secret Security Clearance and worked undercover for the FBI. He was part of an exclusive "black project", headed by Dr. Edward Teller specializing in the development of "flying saucer technology". Stan trained in computer programming at IBM. Stan's main love is still advanced propulsion and "free" energy research which took him to Australia in '71 to work on these systems. Currently Stan is working on a Tesla-based energy system, several propulsion projects and is a public lecturer on world events, including: The coming global economic collapse / Developing solar-related crises in the Earth's climate / The "UFO Deception" and its real intent / Suppression of badly needed technologies / The coming destruction of America by civil war followed by foreign invasion / High voltage physics of cheaper energy / The New World Order from the perspective of a former FBI 'spy.' Included in this discussion is the history of alternative energy breakthroughs, Edward Teller's covert technological development program, the mathematical equations used in the advanced physics as well as in-depth information and slides demonstrating 'anti-gravity', the effort used in the 50s to try to get scientists to think outside the box, as well as the multinationalist's "N.W.O." agenda utilizing "U.F.O." technology and their reasons for doing so.

BASIL BANISH & BLESSINGS

Latin Name: Ocimum basilicum

Basil - Positive qualities: Integration of sexuality and spirituality into a sacred whistleblowing. Patterns of imbalance: Polarization of sexuality and spirituality, often leading to clandestine behavior or marital stress.

Sweet Basil is a religious herb associated with both Krishna and Vishnu. Hindus grow this herb to provide protection for the home and family. Any person in need of courage will benefit from Basil as it builds strength and helps one move forward in a positive manner. Basil is known for its quality of protecting the seeker from fears that one encounters when moving along a spiritual path and may bring protection to the seeker and their family as well.

The soul in need of Basil tends to polarize and separate the experience of spirituality and sexuality, believing that these cannot be integrated. This affliction is most evident in relationships where there is a compulsive need to seek sexual liaisons outside the main
partnership. Quite often sexual activity is associated with that which is secret or sinful. There is also a very strong attraction to pornography and other forms of illicit or illegal sexuality. The soul feels great tension between the polarities of spiritual purity and physical sexuality. In the unconscious struggle to reconcile these forces, the soul often capitulates to or becomes enmeshed in debasing and dehumanizing sexual activity. Once these polarities are brought together as a conscious unity, the soul no longer feels compelled to separate them into opposing and destructive activities. Basil flower essence helps the soul to experience the world and Self as truly sacred and whole.

- as with many aromatic herbs, the plant has several health benefits, such as having antioxidant and anti-microbial properties.

Holy Basil for Depression and Panic Attacks
This herb is classified as an adaptogen, a substance that increases the body’s resistance to internal and external stress. Therefore, it makes sense that it would relieve panic attacks and depression. http://www.drwhatmaker.com/holy-basil-for-depression-and-panic-attacks/

Herbal Usages: mild nervous disorders, dried leaves used as snuff (to be inhaled through the nose), which is said to cure nervous headaches.
A drop of essential oil on your pillow (or a facecloth inside your pillowcase) will help insomnia and depression.
Works well for tired muscles, or wandering rheumatic pains. Italian Pesto
2 cups fresh Genovese (sweet) basil leaves
1/3 cup pine nuts or almond
3 cloves garlic (I like garlic)
1/2 cup olive oil
1/2 cup Parmesan cheese
Pulse garlic with pine nuts in food processor. Add basil, and pulse again. While on, pour oil in steady stream into mixture, scraping down sides with spatula (don’t let it hit the blades!). Add cheese and pulse until blended, with dash of salt and pepper.

Economic collapse is one of the final stages of the cabal’s overall policy of world devastation. Many of their earlier phases of contrived collapse have been largely unseen or ignored by most Americans. The final economic breakdown is now in its first stages with:
The failure and bankruptcy of financial institutions and businesses
The bursting of the housing bubble
Skyrocketing worker unemployment
$57 trillion debt caused by warprofiteering
Runaway inflation and skyrocketing oil and other commodities prices
The collapse of the dollar
The disintegration of the global environment:

"After centuries of global capitalist accumulation, the global environment is on the verge of collapse and there is no more ecological space for another major expansion of global capitalism. The choice is stark — either humanity will permit capitalism to destroy the environment and therefore the material basis of human civilization, or it will destroy capitalism first. The struggle for ecological sustainability must join forces with the struggles of the oppressed and exploited to rebuild the global economy on the basis of production for human needs in accordance with democratic and socialist principles." http://www.hermes-press.com/collapse.htm

Anthroposophy: Rudolf Steiner

Description: The Philosophy of Freedom, Waldorf Schools, Eurythmy, Art, and more... Anthroposophy is a spiritual philosophy based on the teachings of Rudolf Steiner (25 February 1861-30 March 1925) which postulates the existence of an objective, intellectually comprehensible spiritual world accessible to direct experience through inner development — more specifically through cultivating conscientiously a form of thinking independent of sensory experience. In its investigations of the spiritual world, anthroposophy aims to attain the precision and clarity of natural science's investigations of the physical world. Anthroposophy is a path of knowledge, to guide the spiritual in the human being to the spiritual in the universe. Anthroposophists are those who experience, as an essential need of life, certain questions on the nature of the human being and the universe, just as one experiences hunger and thirst. (wiki)

Take Back Your Weather!

HAARP stands for High Frequency Active Auroral Research Program, it is funded by the US navy, US AirForce, Defense Advanced Research Projects Agency (DARPA) and our Govt.

- HAARP has been used for multiple purposes. Its basic concept is a giant antenna, utilize a large amount of power, and shooting beam powers into the upper atmosphere. Thus being able to change and manipulate weather through the ionosphere. How much power is needed to modify weather? To say the least it can beam more then 1.7 gigawatts (billion watts) of radiation into the ionosphere. It is the opposite of a radio. It transmits the powers instead of receiving. It heats the upper atmosphere, after effecting the ionosphere, the radiations come back to earth and form long waves. The waves then enter the ground, the oceans, even our bodies. These people have the power to not only create but dismantle storms such as tornados, hurricanes, etc...

It is believed that HAARP is also:

- An ionospheric heater / A research tool / A military test bed
- A tax-subsidized boondoggle / A directed-energy weapon
- A means of creating power blackouts at will / Electronic warfare
- Tesla's wireless power transmission /Tesla's secret death ray
- Searching for space aliens / Killing space aliens / Killing off the militias / Keeping them awake at night (through RF head rectification) / Enforcing the New World Order / A plot to depopulate the Third World / A means of creating power blackouts at will / Electronic warfare
- A planetary x-ray machine / A plot to dramatically revolutionize our view of history and explain The end of the human race / The end of Earth itself
