Fake news, false prophets, false teaching and paid actors on Youtube

There are many paid actors on Youtube. People that are paid to speak deception and to act as christians or whistleblowers to mislead and betray the people of God. They do it for money. They are many. I expose them here, plus greedy pastors who only preach for money. Their big agenda now is to create acceptance for the evil mark of the beast and to even get Christians to accept it. The mark of the beast 666 is here now.

Bible codes, prophecies about Jesus Christ as the Messiah in Genesis. The gospel hidden in the names of the 12 tribes of the 144,000.. and more.

Easter - God's new covenant, our sins forgiven. Jesus Christ - God's Holy Passover lamb.

Jesus Christ is the Jewish Messiah

Be selective when you surf

Be very selective when you surf the internet. All "christian content" is not made by true christians. Moreover, many christian pastors are false christians, they don't truly know Jesus Christ.

Be smart or be misled. Some people are under mindcontrol, they don't even understand that they are tools for the ruling elite - the illuminati. Continuous psy-ops and false flag operations is an important way for the illuminati to push the agenda for a global police state.

Hoaxes, lies and psy-ops i mainstream media

First, some info here about how the big news channels deliberately produce false news about terror. Psyop stands for psychological operations and the purpose is brainwashing, making us believe in news that is fake. The fake terror creates fear, suspicion and, in the long run, a prejudice society where all those who deviate may be seen as a terrorist, a potential threat.

The foundations of the Anti-christ reign

Economical - all physical cash abolished and replaced with microchip implants - the evil mark of the beast, 666.

Political - Our traditional political systems with elected politicians chosen via paper forms (paper in your hand under your control where the votes is counted by real humans) replaced by electronic voting and much of the country's administration are automated through the system of microchip implants. All these electronic systems controlled by the ruling elite and global corporations such as Rothschild, Reuters, Lazards, Warburg, Solomon, Goldman Sachs for their benefit.

Spiritual, religious - Fundamental evangelical Christianity strictly forbidden. Only liberal, modern, wicked, ungodly christianity will be legal (for a while). There will be New Age religion blend-religion/illuminati, Paganism, Buddhism, Masonic esoteric beliefs, occultism, spiritism, satanism.

Cultural/ Social - All Cultural and social activity will be initiated or administrated and directed through the internet, social media, via Wi-Fi, smart phones, people even communicating via neuro implants, brain-computer interfaces, peoples minds connected directly to the internet.

World police/ world army

One big united world army/ world police with their cruel presence everywhere. An iron fist that rules with cruelty and evil. All suspicious behavior is punished immediately - in public. Peoples brains and thoughts monitored all hours to prevent hostility and terror.

They way to antichrist's kingdom

How will the beast system be accomplished? By deception. And by internet dependency - slavery. People are trusting digital media fully, even though it's easy to manipulate. Non of the big digital platforms are independent, that's a quote from a friend of mine that is a professional high paid programmer.

We are adapting our lives to the internet. There is, as we know, a lot of content about the Bible, God and Jesus Christ on the internet, and of course we should use that. But everything that seems to be Christian content is not. There is a lot of content on the internet that is used to tricking and deceiving people from a genuine relation with God and instead making us completely dependent on the internet for our spiritual well-being, in our relationships with others and also as means of payment, etc.

The deception starts right here!

The illuminati attempt to control and affect your resistance

Ok I agree that subjects like: JFK murder, end time prophecy, Noah's flood, occultism, Cern hydron Collider, antichrist, fluoride etc are interesting and important topics, absolutely. But when you log on to a certain website or watch a specific video about these things, think of one thing, ask yourself: who has created this website? Who has made this video? Who has uploaded this video? Many of these "prepper forums", "end time homepages" etc are made by the ruling elite to get control. The illuminati are trying to control and affect your resistance to the antichrist beast system.

Here are the things that Christians should do: Pray, praise, worship, read the Bible, go to Sunday service in church, help others etc. Smart phones, Ipads, Facebook, Youtube, TV, movies etc should be secondary priority. What is it that you really worship? How much time do you spend on prayer and Bible reading compared to internet surfing and TV? Me myself, I also have a lesson to learn here, absolutely. Help your family if they need help. Spend time with them.

After the rapture of the church: Expect a great deception.

When God's children who were ready have been brought to paradise the word will be like this:

"Oh it is the bad and evil people who have disappeared."

"The bad people have left us because they where not fit for Jesus millenial reign."

Or they might say: the evil people have been teleported to another planet for education for spiritual growth, or have been "kidnapped by alies" etc..

The Bible says that [God will bring home his true children to paradise](#) in the last days. Among christians this event is called [the rapture](#). Millions of christian people around the whole world will disappear into thin air in one moment. Sadly, many people in churches will not be taken. In addition, quite many people outside congregations will probably be taken up. Biblical scriptures teach that before this happens the antichrist will reveal himself to the world. In the Bible he is also called the man of lawlessness, son of destruction. After the rapture the satanic kingdom

and the antichrist will rule the whole earth. They will force all people to take the mark of the beast. The beast is an evil world system from the devil. It will have dominion over the whole Earth. The mark of the beast will be needed to buy or sell anything. They will also force people to kneel down and worshipping the beast image. Many Christians who are left behind on Earth after the rapture will be fooled to participate in these evil things. This page is intended to warn all people of the fact that any person who participates in these evil things will burn in hell forever and ever. The devil is already at work and has prepared a plan on how to fool the people who are left behind after the rapture of the church. The world will be told that the evil and bad people were removed, kidnapped by aliens or teleported to other planets etc. Don't believe this deception. Below is a list of some of these deceptive "new age" antichrist homepages controlled by the ruling elite, the illuminati.

After the rapture of the church, then all the luke warm and false preachers, UN agents and others will do their best to deceive those who are left behind. David Wilcock and Eckhart Tolle will surely assist them.

Prophecy in the Bible of a coming payment system the mark of the Beast

And he causes all, both small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads:

And that no man might buy or sell, except he that had the mark, or the name of the beast, or the number of his name.

Here needs wisdom. Let him that has understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six.

[Revelation 13:16-18](#)

And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive his mark in his forehead, or in his hand,

The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:

And the smoke of their torment ascendeth up for ever and ever: and they have no rest day nor night, who worship the beast and his image, and whosoever receives the mark of his name.

Here is patience of the saints needed: that they keep the commandments of God, and the faith of Jesus.

[Revelation 14:9-12](#)

As you can see from Bible scripture, the mark of the beast can be 3 different things. Yet they have all one thing in common: it will be needed to buy and sell.

It is clear that the mark of the beast is rfid implants. What can it be more? Perhaps a tag on your skin with nano chips that is not even visible with the human eye, yet it will connect your body to the internet. Stay away from these evil things! Save your soul!

The false zombie apocalypse agenda exposed - warnings to all Christians

Have you noticed the talks about a coming "zombie apocalypse" in various media channels? Zombies in movies, games and now even in news. This phenomenon will probably grow.

There is a big agenda behind the zombie hype. One purpose is to destroy the beautiful truth of the rapture of the church and the beautiful truth of the resurrection of the holy. With a zombie attachment, this wonderful event can easily become something ugly in people's eyes, unfortunately. Another purpose with the zombie apocalypse is to create a police state based on prejudice and fear, and to kill people.

There are much zombie content on the internet for those who are interested. I have removed most of the zombie links I had posted here before because it's too destructive. I'm sorry for even posting the links here before. As Christians we shall have our focus on Jesus.

Paul Begley - under control by the illuminati

What Paul Begley don't understand is that the zombie hype is a man-made construction. What is even worse, he don't understand that he is a tool for the illuminati. He is a tool for the satanic ruling elite. There is no "zombie apocalypse" in the Bible. The ruling elite have constructed this zombie agenda for their evil purpose.

<http://i2.cdn.turner.com/cnn>

There is a big agenda behind the zombie hype. The "zombie apocalypse" is not biblical. The zombie manifestation will be a real life event launched by the ruling elite just when the rapture of the church has happened.

The resurrection of the dead in Christ is a holy event

Read Paul the Apostle's words about the rapture:

Behold, I show you a mystery; We shall not all die, but we shall all be changed, In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

For this corruptible must put on incorruption, and this mortal must put on immortality.

When the rapture have occurred, when all true children of God have been taken up to paradise, the "zombie apocalypse" manifestation will be used as a false explanation. The illuminati, the ruling elite will explain the rapture with a deception. They will say it's a zombie apocalypse. They will also say that the evil people are those who resurrected from the dead. And they will say that the evil people have left the Earth now. They will say that the righteous people, the good people are now on Earth. They will say: good people are now here! People of God are still here now. This will be a satanic fraud. Then the satanic new world system will start with rfid microchip implants - the mark of the beast 666. People will take the mark of the beast, many christians also. And they will end up in hell forever.

Jesus said to have already returned. This is not true.

This kind of lie will lead christians to take the evil mark of the beast 666. They will think: oh, no the millennial reign of Jesus Christ starts. I'm an obedient citizen. I obey authorities.

If then you have been raised with Christ, seek the things that are above, where Christ is, seated at the right hand of God.
